DIRECTOR'S MESSAGE

A journey of 65 years built on
values, driven by excellence, and
inspired by people.

Dear Students,

It gives me immense pleasure to welcome you to the National Institute of Technology Calicut. Heartiest congratulations on securing admission to one of India's premier institutions of higher education.

Your admission to NIT Calicut marks the beginning of a transformative journey filled with opportunities for learning, innovation, discovery, and personal growth. You are now part of a vibrant academic community that nurtures curiosity, encourages excellence, and inspires leadership. Here, you will engage with distinguished faculty members, talented peers, and a dynamic campus environment that will challenge you to think critically, create boldly, and contribute meaningfully to society.

Every year, our campus is enriched by the enthusiasm, aspirations, and fresh perspectives of students like you. Beyond classrooms and laboratories, NIT Calicut offers an ecosystem where ideas flourish, friendships are forged, and lifelong memories are created. The experiences you gain here through academics, research, innovation, sports, cultural activities, and community engagement will shape not only your career but also your character.

At NIT Calicut, we are committed to fostering academic excellence while upholding the values of integrity, inclusivity, compassion, and social responsibility. We encourage you to embrace every opportunity, remain open to new experiences, and strive for excellence in all your pursuits. Challenges will undoubtedly arise, but they will also become stepping stones that help you grow into confident, responsible, and resilient individuals.

As you begin this exciting chapter, remember that you are joining a legacy of outstanding alumni who have made significant contributions across academia, industry, entrepreneurship, public service, and research around the world. I am confident that you will also make a unique contribution to creating a better future.

On behalf of the entire NIT Calicut family, I extend a warm welcome to each one of you. We look forward to supporting you throughout this remarkable journey and celebrating your achievements in the years ahead.

I wish you a fulfilling, enriching, and memorable stay at NIT Calicut.

With best wishes,

Prof. Prasad Krishna

D.Eng. (University of Michigan)
Director
National Institute of Technology Calicut

Registrar's Message

Dear Students, A warm welcome to the National Institute of Technology Calicut. Joining a new institution is a significant milestone in life. It is natural for each one of you to arrive on campus with a blend of enthusiasm, aspirations, curiosity, and perhaps a few apprehensions. You may be wondering about the academic challenges ahead, the friendships you will build, the opportunities you will discover, and the experiences that will shape your future. I assure you that these emotions are shared by generations of students who have walked through these gates before you and have gone on to excel in diverse fields across the world.

At NIT Calicut, we believe that education extends far beyond the classroom. Our academic programmes are designed to nurture critical thinking, creativity, innovation, and a spirit of inquiry. Guided by accomplished faculty members and supported by modern laboratories, libraries, research facilities, and digital resources, you will have every opportunity to develop the knowledge and skills needed to excel in your chosen discipline.

Equally important is the vibrant campus life that awaits you. The Institute offers a rich spectrum of co-curricular and extracurricular activities through technical societies, innovation and entrepreneurship initiatives, cultural and literary forums, sports, clubs, and community engagement programmes. These platforms enable you to discover your talents, develop leadership qualities, build lasting friendships, and learn the values of teamwork, resilience, and mutual respect. I encourage you to participate wholeheartedly, for some of life's most valuable lessons are learned outside the classroom.

The Institute is committed to providing a safe, inclusive, and supportive environment where every student is respected and encouraged to realise his or her fullest potential. Our administrative offices, faculty, mentors, and support services work together to ensure that your academic journey is complemented by the guidance and assistance you may need along the way. Whether your ambition is to pursue cutting-edge research, become an entrepreneur, excel in industry, serve society, or continue your studies at leading institutions around the world, NIT Calicut offers an ecosystem that can help transform your aspirations into achievements.

As you begin this exciting chapter, I encourage you to embrace challenges with confidence, remain curious in your pursuit of knowledge, uphold the highest standards of integrity and discipline, and make the most of every opportunity that comes your way. The friendships you forge, the experiences you gain, and the values you cultivate during your years here will remain with you throughout your life.

I wish you a fulfilling, enriching, and memorable journey at NIT Calicut. May your time here inspire you to dream boldly, work diligently, and emerge as competent professionals, responsible citizens, and compassionate human beings.

With my best wishes for your success and happiness.

Dr. Sunil Jacob John

Professor of Mathematics & Registrar (i/c)
National Institute of Technology Calicut

SWAGATHAM

National Institute of Technology Calicut (NITC), established in 1961 as Regional Engineering College Calicut and declared an Institute of National Importance under the NITSER Act, 2007, is one of India’s leading centres for technical education, research, and innovation.

The Institute carries forward the REC legacy of fostering national integration while embracing a broader mandate that emphasises cutting-edge research, technological innovation, and societal relevance. Fully funded by the Government of India, NITC continues to pursue excellence in Engineering, Science, Technology, and Management while contributing to regional and national development.

NITC offers a comprehensive range of academic programs, including 14 Undergraduate and 29 postgraduate programs, as well as an MBA. In recent years, the Institute has also witnessed remarkable growth in its doctoral research ecosystem, with a steady increase in publications, patents, and sponsored projects. Academic activities are directed towards producing industry-ready graduates and research outcomes that address pressing social and technological challenges.

Spread across 120 hectares in the foothills of the Western Ghats, about 22 km from Kozhikode city, NITC is a fully residential campus that blends natural beauty with modern facilities. The campus houses academic blocks, advanced laboratories, hostels, staff residences, and recreational spaces. Equipped with smart classrooms, dedicated research centres, and state-of-the-art digital infrastructure, the Institute provides a vibrant learning and living environment to over 9,000 students.

NITC has established itself as a hub for interdisciplinary research and innovation. Through collaborations with industries, research organisations, and academic institutions in India and abroad, the Institute promotes a culture of knowledge creation and technology development. Its research spans diverse areas of engineering, science, management, and sustainability, with a strong emphasis on projects with societal impact.

Located in the culturally rich Malabar region of Kerala, NIT Calicut benefits from and contributes to the region’s historical, ecological, and socio-economic vibrancy. Beyond academics, the Institute plays a proactive role in regional development by supporting local industries, fostering entrepreneurship, and promoting sustainable practices. Nationally, it has consistently been ranked among the country’s top technical institutions, with special recognition in engineering and architecture, while globally it aspires to build stronger partnerships and position itself among leading institutions of higher education and research.

The Institute gratefully acknowledges the continued support of the Government of India, the Ministry of Education, the Government of Kerala, alumni, industries, and all stakeholders, whose contributions sustain and guide its journey towards academic and research excellence.

Doctoral Programmes

Doctoral programmes are offered in all Departments of the Institute. Admissions to the PhD programme of the institute are carried out in the following schemes:

Scheme I

Full-time registration with Institute Fellowship or other Govt. Fellowships like CSIR-UGC JRF/ KSCSTE/INSPIRE etc.

Scheme II

Full-time registration under the Self-Sponsored category.

Scheme III

Full-time registration for candidates sponsored by Industry or other organizations, including Educational Institutions.

Scheme IV

Internal Registration for regular staff employed at NITC/ Research staff employed in funded projects at NITC.

Scheme V

External (Part-time) Registration for candidates from Industry or other organizations, including Educational Institutions, who possess a post-graduate degree.

Scheme VI

External (Part-time) Registration to Direct PhD programme for candidates working in Industry/R&D Labs/Medical Institutions who do not have a postgraduate degree but have relevant experience in reputed Industry/ R&D Labs/Medical Institutions. A total of 300 seats are allocated per year for schemes I and II together. The PhD scholars are selected on a merit basis depending on scores in GATE NET/JEST/NBHM, along with written tests.

Eduserver

<https://moodle.nitc.ac.in>

The National Institute of Technology Calicut (NITC), technology-enabled learning is seamlessly integrated into academic life through Eduserver, the institute's official Learning Management System (LMS). Powered by MOODLE, the world's most widely used open-source LMS, Eduserver serves as a comprehensive academic platform that connects faculty, students, and administrators in a dynamic and interactive learning environment.

Eduserver provides an efficient medium for managing all aspects of academic engagement. Faculty members can upload course materials, share announcements, and design assessments such as quizzes, assignments, and projects. Students, in turn, gain 24/7 access to their courses, resources, and grades, enabling them to track academic progress in real time. The platform supports interactive features that encourage collaborative learning, including discussion forums and feedback modules, thus extending the classroom experience into a rich digital ecosystem.

Ease of access is a defining feature of Eduserver. In addition to its web-based portal, NITC offers a dedicated mobile application, allowing students and faculty to access course content, submit assignments, and even attempt quizzes on the go. Offline functionalities built into the mobile app ensure uninterrupted learning, even in areas with limited connectivity. This mobile-first approach aligns with the institute's vision of inclusive education and adaptability in an increasingly digital academic world.

The learning management system of NIT Calicut

The LMS also plays a key role in institutional processes beyond regular coursework. For applicants and prospective students, Eduserver is used as a platform for online tests and evaluations, with secure login credentials and clear guidelines for participation. Its integration with virtual proctoring tools, including Google Meet for monitored assessments, ensures transparency and fairness. By bridging the gap between academic delivery and administrative requirements, Eduserver streamlines the academic workflow for the entire NITC community.

Eduserver is more than just a technology platform; it reflects NIT Calicut's commitment to fostering excellence in teaching and learning. By centralizing resources and making them easily accessible, the LMS empowers faculty to adopt innovative teaching practices while offering students the flexibility to learn at their own pace. It also reinforces NITC's vision of preparing students for the challenges of the digital age, equipping them with not only disciplinary knowledge but also the ability to adapt to evolving modes of learning.

As NIT Calicut continues to strengthen its position as a leader in higher education and research, Eduserver—with its MOODLE-based design and advanced functionalities—stands as a vital pillar supporting this mission. Through its user-friendly structure, comprehensive features, and seamless integration with institutional processes, Eduserver exemplifies the institute's commitment to academic excellence, inclusivity, and digital innovation.

Network & Connectivity

<https://ims.nitc.ac.in>

Central Computer Center & IMS

The Central Computer Centre (CCC)

E-mail: maincc@nitc.ac.in

The Central Computer Centre (CCC) at the National Institute of Technology Calicut serves as the digital backbone of the institute, providing advanced computing and networking facilities to support academic, research, and administrative activities. Established to promote technology-enabled learning and innovation, the Centre caters to the diverse needs of students, faculty, and staff across the campus. The CCC manages the campus-wide network infrastructure, ensuring high-speed internet connectivity and uninterrupted access to digital resources. It also hosts and maintains essential online platforms such as the Eduserver (Moodle-based LMS), institutional websites, email services, and other academic portals that are integral to teaching and learning. With robust servers and secure data management systems, the Centre plays a crucial role in facilitating online examinations, digital communications, and e-governance initiatives of the institute.

In addition to infrastructure management, the Centre provides 24/7 access to computing facilities through its dedicated laboratories. These labs are equipped with high-performance desktops, licensed software, and specialized tools to support coursework, programming, design, and research requirements. The CCC also assists in technical training, workshops, and collaborative projects that enhance the digital competencies of students and faculty alike. By continuously upgrading its systems and services, the Central Computer Centre ensures that NIT Calicut remains at the forefront of digital transformation in higher education. As a hub of connectivity, technology, and innovation, it embodies the institute's commitment to academic excellence, research advancement, and digital empowerment.

Institute Management System (IMS)

<https://ims.nitc.ac.in>

The Institute Management System (IMS) at the National Institute of Technology Calicut is a unified digital platform that streamlines academic and administrative functions, ensuring efficiency, transparency, and accessibility for all stakeholders. For students, IMS provides end-to-end support throughout their academic journey. It enables seamless access to services such as course registration, timetable management, examination schedules, grade sheets, fee payment, and hostel allotment. By consolidating these processes into a single portal, IMS reduces paperwork, enhances data accuracy, and allows students to track their progress with ease. For faculty and staff, the system simplifies administrative responsibilities, offering tools for course allocation, attendance management, examination coordination, and result processing. It also assists in monitoring academic activities and research-related tasks, making it an indispensable resource for institutional management. Designed with role-based secure access, IMS ensures that data is shared efficiently and responsibly among users. It is also integrated with other digital resources of the institute, such as the Central Computer Centre and Eduserver, thus supporting a cohesive digital ecosystem. By reducing manual interventions and enabling real-time access to information, the Institute Management System reflects NIT Calicut's commitment to digital transformation, operational excellence, and a smarter campus experience.

Central Library

<https://library.nitc.ac.in/>

Premier technical
knowledge hub

Established in 1961, the Central Library at NIT Calicut is a leading technical library in South India. Its expansive 11,340 square meter facility houses:

- **135,000+** technical and scientific volumes.
- **11,227+** e-books.
- **10,000+** e-journals.
- **17** E-Databases/Web-based tools.

Serving our Community

- 9,200+ users including students, researchers, faculty, and staff.
- Extended hours: 8 AM to 12 Midnight.
- RFID-enabled automation for seamless access.

Digital Resources

- Major e-journal packages: IEEE, ASME, Wiley, APS, RSC, IOP, ASCE, ACM, ASTM, BIS Standards, JGATE Plus, JSTOR, Scifinder MathSciNet
- E-books from Wiley, Springer, and Cambridge.
- INFLIBNET institutional membership.

Research Support

- Cutting-edge tools: iThenticate, DrillBit, Researcher.Life, Overleaf, ChemDraw, E4TP, BioRender.
- Regular workshops and seminars for academic community.

Pioneer in Open access

- First NIT with transformative agreements (Wiley, IOP, RSC, IEEE)
- Embracing the Read and Publish model.

Nalanda Digital Library

- Comprehensive e-resource access
- ETD system for archiving and indexin academic works.
- Integration with ShodhGanga and IRINS platforms.

Sports Facilities

<https://nitc.ac.in/sports-and-games>

The Centre for Student
Activities and Sports (CSAS)

The Centre for Student Activities and Sports (CSAS) at NIT Calicut prioritizes promoting physical education and sports on par with regular academics. The Institute is well aware of the importance of sports and physical activity in fostering social harmony, discipline, and personality development. The Centre gives plenty of chances for the students to engage in physical activity during their leisure time in order to relieve stress and develop a lifetime habit of physical activity as part of their day-to-day education system. Through voluntary participation programs, regular practice under expert coaches, and participation in International, National, Inter-university, State and intramural tournaments, the CSAS aims to cultivate a lifelong habit of physical activity among students. The centre also organizes mass participation events to encourage widespread involvement in sports.

The campus boasts a comprehensive sports infrastructure including a 25m swimming pool, a well-equipped gymnasium, a standard hockey, cricket, multiple basketball, volleyball, tennis, handball, kho-kho, kabaddi, badminton courts (both synthetic and cement), table tennis tables, a 400m athletic track, and a chess hall. All facilities are designed to cater to the diverse sporting interests of the students, with floodlights installed on several courts for extended playing hours.

Student Life at NITC

Beyond Academics

Student life at NIT Calicut extends far beyond academics, offering a dynamic campus experience that blends learning, creativity, leadership, sports, and cultural diversity. Through vibrant festivals, active student clubs, modern sports facilities, and a thriving residential community, students develop professionally and personally in an inclusive and engaging environment.

Highlights of Student Life

Vibrant Campus Community: A fully residential campus that fosters lifelong friendships, collaboration, and holistic personal growth.

Ragam: One of South India’s largest cultural festivals, featuring renowned artists, cultural performances, competitions, and student talent.

Tathva: A national-level techno-management festival showcasing innovation, technical competitions, workshops, hackathons, and industry interaction.

Student Clubs & Societies: A wide range of student-led clubs covering music, dance, drama, literature, photography, robotics, coding, arts, entrepreneurship, and social initiatives.

Sports & Fitness: Excellent facilities for football, cricket, basketball, athletics, indoor games, swimming, and a gymnasium, with regular inter-hostel, inter-NIT, and national-level competitions.

Leadership & Innovation: Numerous opportunities to organise events, lead student organisations, participate in technical projects, and develop entrepreneurial skills.

Diversity & Inclusion: Students from across India contribute to a multicultural environment that promotes mutual respect, inclusivity, and national integration.

Green Campus Experience: A picturesque campus nestled in the foothills of the Western Ghats, providing a serene and inspiring atmosphere for learning and recreation.

Holistic Development: A balanced ecosystem where academics, extracurricular activities, innovation, sports, and cultural engagement collectively shape confident and responsible graduates.

Scholarship & Award

Premier technical
knowledge hub

Centre for Career Development CCD NIT Calicut

Dynamic enabler
of student success

Some of the prominent scholarships given by NIT Calicut are: Rajesh Kumar KK Memorial Award 'Raj Foundation for Academic Excellence' Subramonia Iyer- Lekshmi Ammal(SILA) Scholarship Silver Jubilee Endowment Trust Scholarships -These include:

Private Scholarships

- Rajesh Kumar K K Memorial Award 'Raj Foundation for Academic Excellence' Subramonia Iyer- Lekshmi Ammal(SILA) Scholarship

Silver Jubilee Endowment Trust Scholarships – These include:

- CSAI (Class of 2000) Scholarships (4 nos.)
- IDFC First Bank Scholarship
- Rupa Rahul Bajaj Scholarship for Women
- Scholarship Programme for Diaspora Children (SPDC)
- Foundation For Excellence (FFE) scholarship
- Swami Dayanand Foundation Scholarship
- Foundation for Academic Excellence & Access (FAEA) Godrej Scholarship
- CH Muhammedkoya Scholarship

Government Scholarships

- Central Sector Scholarship of Top-Class Education for SC Students
- Prime Minister's Scholarship Scheme for Ministry of Railways PM YASASVI – Central Sector Scheme of Top-Class Education in College for OBC, EBC and DNT Students
- National Scholarship for Post Graduate Studies
- National Fellowship and Scholarship for Higher Education of ST students Scholarship (formally Top-Class Education for Schedule Tribe Students)
- Central Sector Scheme of Scholarships for College and University Students
- Post Matric Scholarship for Students with Disabilities
- Lakshadweep Scholarship Scheme
- Prime Minister's Scholarship Scheme for Central Armed Police Forces and Assam Rifles
- Financial Assistance for Education to The Wards of Beedi/Cine/IOMC/ LSDM- Post Matric
- Umbrella Scheme for Education of ST Children -Post Matric Scholarship (PMS) for ST students of Arunachal Pradesh
- Ishan Uday Special Scholarship Scheme for NER
- E-Kalyan Scholarship
- Special Scholarship Scheme for J&K and Ladakh (PM-USPY)
- Scholarship for Top Class Education for Students with Disabilities
- E-Grantz Scholarship

Established in 1988, the Centre for Career Development (CCD) at NIT Calicut plays a strategic role in bridging students to the professional world. With a mission to cultivate a career-oriented campus culture, the CCD fosters strong industry partnerships, engages alumni networks, and enhances student readiness through tailored training programs. It acts as the central hub for internships, live projects, placement opportunities, and continuous mentorship.

The CCD team liaises with talent acquisition teams across industries, consultancies, and research organisations, while collaborating closely with alumni to explore diverse career pathways for students. Through curated initiatives like resume building, mock interviews, group discussions, and aptitude workshops, the CCD ensures students are systematically equipped to meet evolving employer expectations.

The impact of CCD's efforts shows strongly in NITC's placement track record. In the 2024–25 placement season, despite a challenging hiring landscape, 1006 students (74.9% of registered participants) secured placements. Among them, 79 students received offers above ₹25 LPA, with the highest package hitting ₹56.59 LPA. Average salaries stood at ₹11.98 LPA overall, including ₹12.28 LPA for B.Tech and ₹11.27 LPA for M.Tech. Notably, circuit branches led with an 82.66% placement rate and an average of ₹15.16 LPA, while core engineering and basic science students also saw robust average offers of ₹11.8 LPA and ₹10 LPA, respectively.

The CCD facilitates a range of initiatives to enhance students' professional skills and employability. These initiatives include personality development workshops, hackathons, corporate expert lectures, career guidance sessions, interactive sessions with alumni who have secured employment, pre-placement talks, and industry interaction programmes. Furthermore, the CCD has commenced Civil Services preparation sessions, supported by its alumni, to offer guidance and mentorship to students aspiring to careers in the civil services.

In essence, the CCD at NITC is more than a placement office it is a dynamic enabler of student success, blending structured training, industry alignment, and proactive career navigation. Its visionary approach empowers students to turn academic promise into meaningful, future-ready careers.

Hostel Life at NIT Calicut

Vibrant
residential experience

Hostel life at NIT Calicut offers a safe, comfortable, and vibrant residential experience that promotes academic excellence, personal growth, and a strong sense of community. With modern infrastructure, comprehensive amenities, and an engaging campus culture, the hostels provide students with an ideal environment for learning and living.

Hostel Highlights

Residential Capacity: Accommodation for approximately 6,800 students across 11 boys’ hostels and 3 ladies’ hostels.

Accommodation Options: Boys’ hostels offer single, double, and triple occupancy rooms, while ladies’ hostels provide single, double, triple, and quadruple occupancy options.

Mega Hostel for Ladies: A modern eight-storey hostel with a capacity of nearly 1,000 residents, featuring contemporary facilities and enhanced connectivity.

Modern Amenities: Smart IoT-based laundry, 5,000 sq. ft. modern gym, uninterrupted water and electricity supply, high-speed internet, computer access, and well-maintained common rooms.

Recreation & Student Facilities: Television lounges, reading rooms, indoor games, recreational spaces, libraries, and dedicated study areas.

Sports Facilities: Outdoor gym, volleyball, basketball, badminton courts, cricket practice nets, and other sports infrastructure, particularly within the Mega Boys’ Hostel complex.

Dining & Essential Services: Well-managed messes serving vegetarian and Jain meals, cooperative store counters, laundry services, photocopying facilities, and guest rooms for visitors.

Safety & Security: Round-the-clock security, CCTV surveillance, wardens, caretakers, housekeeping staff, and dedicated hostel administration ensure a secure and comfortable living environment.

Vibrant Hostel Culture: Regular inter-hostel sports tournaments, cultural festivals, recreational activities, and student-led events foster teamwork, leadership, and lifelong friendships.

Holistic Living Experience: Hostel life combines academic support, cultural diversity, recreation, and community living, creating memorable experiences that extend well beyond the classroom.

Alumni Network

Beyond
Academics

NIT Calicut has a vibrant Alumni community of over 45,000 members. The Institute takes immense pride in its former students, who have achieved significant positions in academia, research organizations, leading industrial sectors worldwide and as entrepreneurs. The NITC Alumni Association (NITCAA) serves as a vital link, fostering strong connections between alumni and their alma mater. NITCAA has established 23 alumni chapters, 12 in India and 11 abroad. Many alumni have generously sponsored scholarships and awards for students, notably the Endowment Fund (erstwhile SJET) that supports economically disadvantaged students. Additionally, SEWA, a charitable society initiated by the 1978 batch, sponsors various activities benefiting both society and NITC students. The World NITCAA Meet (WNM), a biannual event, gathers alumni from around the globe to network and reconnect. The next WNM will be held in Dubai in March 2026. The Institute has been regularly celebrating the homecoming of its Alumni and reunions. The Silver Jubilee and Golden Jubilee reunions on the campus have been held annually since 1986 and 2011, respectively. Recently, we celebrated the reunions of our PG students.

NITCAA has made significant contributions to the Institute through various projects, including the Creative Zone, Maitri, Green Amphitheatre, IoT Lab (Lab8085), 97th Avenue and Gazebo. During the COVID-19 pandemic, NITCAA supported students by donating 350 laptops to those in need. The Institute Management System (IMS), the Institute website, and updates to the NIVAHKA portal are a few key Alumni-supported projects in the digital domain. The 98 batch established a CoE in Industrial Research to enhance industry outreach. In 2025, a Center for Space Science and Technology was established by our Alumni, which aims to advance research in space science, particularly towards student satellites. Recently, our Alumni have decided to support building a new Health Care Center on the campus. The NITCAA US chapter helps in student mentoring by connecting students with alumni for future guidance. NITC’s flagship festivals, Tatva and Ragam, along with various student clubs, internships and placements consistently receive strong support from alumni. Eminent alumni frequently visit the campus for conferences, lectures and technical workshops. They also co-teach courses alongside regular faculty. The annual Distinguished Alumni Awards honour the professional achievements and contributions of alumni across seven different categories.

- **45,000+** alumni contribute globally across academia, industry and entrepreneurship
- **NITCAA’s 23 chapters** connect alumni across India and abroad.
- **Alumni funded scholarships** support students through financial aid and mentoring.
- Alumni initiatives have transformed the campus through infrastructure and research.
- **Reunions, workshops, and awards** keep alumni actively engaged with NIT Calicut.

NIT Calicut
Health Centre & SGC

Vibrant
residential experience

The NITC Health Centre provides comprehensive primary healthcare services to students, faculty, and staff, ensuring timely medical assistance within the campus. The Centre features a 10-bed observation facility and is staffed by experienced medical professionals, including four doctors, qualified nurses, a pharmacist, and laboratory personnel.

- 24×7 emergency medical care
- Outpatient consultations
- Well-equipped clinical laboratory offering:
 - Complete Blood Count (CBC)
 - Blood sugar and cholesterol tests
 - Liver and renal function tests
 - Urine analysis
 - Blood grouping
 - Fever profile investigations
- ECG facilities and other essential diagnostic services

Ambulance service: 0495-2286661

For specialised treatment, the Institute has empanelled leading healthcare institutions, including KMCT Medical College, Ratnaprabha Dental Hospital, and Comtrust Eye Hospital. Laboratory Timings

Student Guidance Cell (SGC)

The Student Guidance Cell (SGC) is dedicated to promoting students’ emotional well-being, academic success, and personal development through professional guidance and counselling services. The Cell ensures complete privacy and confidentiality while addressing students’ personal, academic, and psychological concerns. It also provides academic support through special coaching sessions whenever required.

To further strengthen mental health support, the Institute provides free access to YourDost, an online counselling and wellness platform available to all members of the NIT Calicut community.

YOURDOST

Free online counselling and wellness platform for all NIT Calicut community members.

APPOINTMENT REQUIRED

Students are requested to schedule an appointment before visiting.

Centre for Innovation
Entrepreneurship & Incubation (CIEI)

Beyond
Academics

The Centre for Innovation, Entrepreneurship & Incubation (CIEI), led by Chairperson Dr. Sudheer A. P., aims to cultivate an entrepreneurial ecosystem on campus by providing innovative faculty and student talent with resources, training, and collaborations with industry and funding agencies. The CIEI actively organizes flagship events like EKASVA 2025 – Innovation Meet and Patent Expo (held on March 4–5, 2025), which invites participation from students, research scholars, startups, professionals, and faculty with differentiated registration rates.

Institute Innovation Council (IIC)

NIT Calicut established its Institute Innovation Council (IIC) in 2017–18 under the Ministry of Education’s Innovation Cell (previously MHRD) to nurture technology-driven startups and foster a vibrant culture of innovation. Since its inception, the IIC has enabled numerous workshops, idea competitions, mentoring sessions, and innovation challenges. Notably, during IIC 4.0 (2021–22), the council conducted 25 calendar-driven activities, alongside MIC-led and self-driven programs, involving an expanded team of innovation ambassadors (31) and student members (57).

Innovation and Entrepreneurship Development Cell (IEDC)

Complementing IIC, the Innovation and Entrepreneurship Development Cell (IEDC) at NITC—an initiative supported by the Kerala Startup Mission (KSUM)—guides students from ideation to viable startup ventures. IEDC equips student innovators with access to advanced infrastructure, mentorship, early-stage capital, and exposure to the entrepreneurial ecosystem. Regular programs include hackathons, bootcamps, and training in business planning, product design, and frontier technologies, in collaboration with Kerala Startup Mission (KSUM).

Technology Business Incubator (TBI-NITC)

Founded in 2003–04 with support from the Department of Science & Technology (DST), the Technology Business Incubator (TBI-NITC) supports early-stage startups across sectors such as IT, electronics, rubber technology, biotechnology, nanotechnology, agriculture, and renewable energy. The TBI manages incubation for around 15–17 companies simultaneously, boasting a remarkable 60% sustainability rate among its ventures and generating employment for over 1500 individuals. It offers incubation infrastructure, mentorship, business facilitation services, and access to funding agencies to help startups grow sustainably.

Nature is not a place to visit, **it is Home.** ”

ORDINANCES

- O.1 Eligibility for admission, admission policy and procedure shall be decided from time to time by the Senate/ Board of Governors (BoG) of National Institute of Technology Calicut (henceforth referred as Institute), following the guidelines issued by the Ministry of Education (MoE), Government of India (GoI).
- O.2 Institute offers regular full-time B.Tech. Programmes. The duration of the B.Tech. programme shall be 4 years (8 semesters). Every academic year consists of two semesters-Monsoon Semester (July-August to November- December) and Winter Semester (December-January to April-May).
- O.3 Award of B. Tech. degree shall be in accordance with the regulations of the Senate of the Institute.
- O.4 The Senate/ BoG of the Institute has the right to modify any regulations stated from time to time.

REGULATIONS

R.1 Admission

- R.1.1 Admission to the B.Tech. programmes of the National Institute of Technology Calicut will be in accordance with the instructions received from the Ministry of Education (MoE), Government of India from time to time. The number of seats in each branch of the B.Tech. programme will be decided by the Senate/ BoG of the Institute following the instructions from MoE, GoI. Reservation of seats to various categories shall be as per the directives from MoE, GoI, from time to time. A few seats may be offered to Foreign Nationals, Indians living abroad and other categories in accordance with the rules and procedures issued by the MoE, GoI and the Institute from time to time.
- R.1.2 The eligibility for admissions to the B.Tech programmes will be published by the centralized counselling and allotment agency or the Institute from time to time.
- R.1.3 Candidates have to fulfill the medical standards required for admission as set out in the Information Brochure of the Institute or by any other body or organization entrusted by MoE/ the Institute.
- R.1.4 The selected candidates shall be admitted to the B.Tech. programme after they fulfill all the admission requirements set by the Institute and after payment of the prescribed fees.
- R.1.5 In all matters related to admission to the B.Tech. programme, the decision by the Institute or by any other body/ organization entrusted by MoE/ the Institute and its interpretation given by the Chairman of the Senate shall be final and binding.
- R.1.6 If, at any time after admission, it is found that a candidate has not fulfilled any of the requirements stipulated by the Institute or any other body or organization entrusted for the admission by MoE/ the Institute, the Dean (Academic) may revoke the admission of the candidate and report the matter to the Senate.
- R.1.7 The fee structure shall be decided by MoE, GoI or any other body or organization entrusted by MoE, GoI or the Institute, from time to time.

R.2 Structure of the B.Tech. Programmes

- R.2.1 B Tech programmes in various branches offered by the Institute shall have credit based curricula with minimum total credit requirement to become eligible for the award of the Degree in the range 150-153.
- R.2.2 The B Tech programme curricula of the Institute shall have a total credit of 150-153, spanned across a minimum of 8 semesters and distributed among 5 categories, as shown below:

Sl. No.	Category	Credits
1.	Programme Core (PC) + Programme Elective (PE)	As per the approved curriculum of the programme
2.	Open Elective (OE)	
3.	Institute Core (IC)	
4.	Institute Elective (IE)	
5.	Activity Credits (AC)	

Programme Core (PC) + Programme Elective (PE) comprises the courses offered by

the department offering the programme in a particular branch.

Open Elective(OE) comprises the courses offered by any department/school/centre of the Institute or on-line platforms approved by the Institute with the maximum number of courses from such platforms limited to 4.

Institute Core (IC) comprises of (i) 4 courses on Mathematics for 12 credits, (ii) 1 course on Professional Communication for 3 credits, (iii) 1 course on Professional Ethics for 1 credit and (iv) any two courses out of Physics, Chemistry, Biology for Engineers and Engineering Graphics for 6 credits as decided by the Department/School offering the programme in a particular branch.

Activity Credits (AC) comprise of courses like Environmental Studies and co-curricular/extra-curricular activities items like publications, patents, participation in workshops, conferences, training programmes, sports, Institute approved club activities etc., from which the students are expected to obtain 80 points towards 4 credits which are not counted for CGPA. The details of activities counted towards AC and the corresponding points will be issued by the Institute from time to time.

- R.2.3 The general pattern of the credit system followed in the Institute is (i) one credit for each lecture session per week per semester, (ii) one credit for two laboratory practical sessions per week per semester, (iii) two credits for three/four laboratory practical sessions per week per semester, (iv) one credit for three drawing sessions per week per semester and (v) appropriate credits for design/ seminar/ project/ thesis/ lecture clubbed sessions per week per semester.
- R.2.4 Each B. Tech programme offered by the Institute shall have a curriculum and syllabi of courses approved by the Senate and the syllabus of any course gets modified/ updated by the Senate from time to time on the recommendation of the respective Department Undergraduate Committee (DUGC), Department Consultative Committee (DCC) and Board of Academic Council (BoAC).
- R.2.5 Courses offered by various departments are classified as first, second, third or fourth level courses to indicate the eligibility of a student to register for a course based on their academic progress to get enrolled into the first, second, third or fourth year of their study respectively.
- R.2.6 Students will not be permitted to register for more courses than the number of courses specified in the respective curriculum for improving the cumulative grade point average (CGPA).
- R.2.7 English will be the language of instruction and examinations for all the courses in the Institute unless explicitly stated otherwise at the announcement of the course during a semester.

R.3 Minor Programmes

- R.3.1 A B.Tech student of any branch may apply for one of the Minor Programmes offered by the Institute from time to time along with their B. Tech programme.
- R.3.2 Students registering for a Minor Programme need to credit a set of 4 additional courses carrying total credits in the range 12-16 from a basket of courses prescribed for the Minor Programme. Additionally, such students registering for the minor programme shall be required to credit two of their OE category courses as per the

- advice of the faculty coordinator for the respective Minor Programme.
- R.3.3 A student opting for a Minor Programme has to register for the relevant Minor courses 1 to 4 in the semesters 4 to 7 respectively and earn the credits for the same with a stipulated CGPA of 7 for the minor courses as per R.20 to become eligible for the award of the B. Tech Degree with the Minor. All courses registered as part of the minor program are to be successfully completed in the first attempt itself. REX prescribed as per R.18 shall not be conducted for Minor courses. Grades secured for courses of Minor Programme except for the OE courses as mentioned in R 3.2, shall not be counted for the CGPA of the B.Tech programme. Separate grade card will be issued for the courses credited as part of the minor program. A student who successfully completes the minor program shall be awarded the degree in the respective branch with a minor in the chosen specialization as a single certificate.
- R.3.4 Institute shall have the power to set the minimum number of students required for offering a Minor Programme and shall limit the number of seats for any Minor Programme. Also the total number of seats in the Minor Programmes will be a fraction of the sanctioned intake for the UG programmes. CGPA for the first two semesters shall be the admission criteria for the minor programme.
- R.3.5 Institute cannot guarantee admission to any specific Minor Programme. Also, there shall be separate fees applicable for the Minor Programme, which will be decided by the Institute from time to time.
- R.4 Faculty Advisor**
- R.4.1 To help the students in planning their courses of study and for getting general advice on the academic programme, the department concerned will assign a certain number of students to a regular faculty member who will be called their ‘Faculty Advisor (FA)’. One FAs will act as the coordinating FA when more than one FAs are assigned for a class of students.
- Students shall first approach their FA for all academic advice, course registrations, leave and all academic/study related matters in the Institute. Whenever required, the FA shall provide necessary advice to the students. FA shall make appropriate recommendations or remarks on the applications submitted by the students before forwarding them to HoD/other officials concerned.
- FA will keep the complete record of academics, attendance/ leave, disciplinary actions if any, contact details of parents/ local guardians and any other relevant data of the students assigned.
- If the performance of a student is unsatisfactory in class tests or if the student is not regular in the class as informed by the course faculty in the class committee, FA shall give necessary motivation/ advice or warning to the student concerned. If the student does not show any improvement, matter shall be reported to HoD.
- Parents/ Local guardian shall maintain contact with the FA for seeking information on the performance of their ward.
- R.5 Class Committee**
- R.5.1 For every B.Tech. programme, semester wise, programme wise, Class Committee(CC) consisting of all course faculty, FAs and student’s representatives shall be constituted by the respective Head of Department/School (HoD). The Chairperson of the Class Committee shall be appointed by the HoD.

- R.5.2 Term of the CC shall be one semester. The Committee shall meet at least thrice during the semester. The Dean (Academic) or nominee or HoD shall have the right to be present in any CC meetings. The Chairperson of the committee or coordinating FA shall record the proceedings of each meeting and the Chairperson shall communicate a copy of minutes of each meeting to the HoD concerned for any further action.
- R.5.3 The responsibilities of the CC include the following:
- (i) Finalisation of the course plan, attendance and evaluation policies of all courses.
 - (ii) Periodic review on the progress of the classes and attendance of the students.
 - (iii) Identification of students with poor performance and low attendance and reporting the matter to FAs and HoD.
 - (iv) Giving suggestions and recommendations regarding the curriculum and syllabi, if any to the Departmental Under-Graduate Committee (DUGC)/HOD
 - (v) Finalisation of the semester results without the student members and forwarding the same to the HoD in the prescribed format.
- R. 6 Department Undergraduate Committee**
- R.6.1 Departmental Undergraduate Committee (DUGC) shall comprise the senior most/coordinating faculty advisor of each batch of B.Tech programme (first year to final year). If the Department has an overall coordinator for the B.Tech programme, that faculty can also be a member of this committee. The Chairperson (from the committee members) as well as members of the committee shall be appointed by the respective HOD every year.
- R.6.2 Responsibilities of the Committee: The committee shall review, discuss and recommend all matters relating to the B.Tech programmes, including but not limited to:
- (i) Recommend to the Department Consultative Committee (DCC), the Curriculum and Syllabus revision required for the programme including new elective courses for the existing programmes. If there are separate departmental committees for curriculum revision, the members of DUGC shall be automatically part of such committees.
 - (ii) Process the application for condonation of attendance shortage as per R 12 and provide recommendation to HoD
 - (iii) With HoD as Chairperson, DUGC shall conduct inquiry on examination malpractice cases reported from B.Tech examinations and make recommendations to the Dean(Academic) regarding penalties to be imposed. Additional members for this purpose may be appointed by the HoD, if required. Such an inquiry committee will have an external member nominated by the Dean(Academic).
 - (iv) Recommend to the BoAC through DCC, appropriate measures to deal with the specific issues of concern, arising due to the effect of periodic revision of curriculum and academic regulations.
 - (v) Make recommendations to BoAC through DCC on matters related to implementation of new academic policies, evaluation of credits earned from other Institutions as part of exchange programmes, Academic Bank of Credits (ABC) and similar initiatives.

(vi) Any other activities/tasks assigned by the HoD from time to time.

R.7 Registration and Enrolment

- R.7.1 Registration of a student refers to the selection of courses planned by the student, to be credited in the next semester as per the applicable curriculum through Institute Information Management System (IMS), during the time frame specified for the same by the academic section. Enrolment refers to the physical reporting of the students before the FA on the day specified by the academic section immediately before the commencement of the semester.
- R.7.2 Maximum credits that can be registered by a B.Tech. student of any semester (except eighth semester) is the normal credits of the concerned semester as per the relevant curriculum. However, students who are repeating failed courses/crediting dropped courses along with regular courses shall be permitted to overload one course in addition to the normal credit of the semester. Students who are only repeating the courses/crediting the dropped courses or who are in the eight semester, the maximum credits that can be registered is 24. Also, students who have opted for the Minor program will be permitted to credit one course extra as part of such program from semesters 4 to 7.
- R.7.3 A student with W grade in a core course as per R.16 has to repeat it compulsorily, whereas a student with F grade can either repeat it or appear for a Re-examination (REX) as per R.18. If the particular course is not available in the revised curriculum, then the student shall register for the approved equivalent course available. A student with W/ F grade in an elective course as per R.16 can either repeat the same elective course or register for a new elective course based on the advice of the FA.
- R.7.4 Registration for higher semester courses is permissible only after registering for all the remaining core courses from lower semesters that are being offered at the time, subject to the maximum number of credits permitted.
- R.7.5 B. Tech. students are allowed to register for courses from the PG programmes offered by the Institute during their final and pre-final year subject to permission from the parent department/school as:
- (i) OE, if the course is offered by other departments/schools
 - (ii) OE/PE, if the course is offered by the parent department/schools
- on the advice of the FA and permission from the course faculty, provided that their CGPA is 7.5 or above.
- R.7.6 Adding/ dropping course(s) to/ from the initial registration is permitted only on valid reasons within the stipulated time as per the guidelines and procedure announced by the academic section.
- R.7.7 A student shall be eligible for registration and enrolment only if (i) minimum requirement to continue the programme as per regulation R.8 is satisfied (ii) cleared all the dues in the Institute, Hostel & Library up to the end of the previous semester and (iii) not debarred from enrolment by a disciplinary action of the Institute (iv) completed the course feedback on the courses registered in the previous semester, as notified by the academic section (v) paid all the tuition fees and all other relevant fees, if any, prescribed by the Institute.
- R.7.8 The institute reserves the right to cancel the registration of a student to a semester subsequent to the registration, if it is found that any of the conditions in R.7.7 were violated at the time of registration, unless the initial registration was made with the

explicit prior written permission from the Chairperson of the Senate.

- R.7.9 Students have to ensure that their names are included in the list of registered students with each course faculty at the beginning of the semester on the first instructional day itself. If the name is not included, students have to contact their FA.
- R.8 Minimum Requirements to Continue the Programme**
- R.8.1 A student admitted to B. Tech programme in the first semester can continue up to 8th semester, in the ascending order, subject to the following conditions:
- (i) Registration to the final year shall be permitted only after successfully completing all core courses upto and including fourth semester.
 - (ii) A maximum of 12 semesters (6 years) excluding the period of temporary discontinuation granted as per R.10, shall be allowed to complete the courses prescribed up to and including third year.
 - (iii) Successfully maintain registration to all the semesters.
- R.8.2 If the student fails to satisfy the conditions in R 8.1, appropriate exit policy, as applicable for the credits earned by the students based on Institute norms, shall be applied.
- R.9 Maximum Duration of the Programme**
- R.9.1 The normal duration of the B. Tech. programme is Eight semesters (Four years). However, a student may complete the programme at a slower pace by taking more time, but in any case not more than Sixteen semesters (Eight years) excluding the semesters withdrawn on temporary discontinuation as per R.10.
- R.10 Temporary Discontinuation**
- R.10.1 A student may be permitted by the Dean (Academic) to discontinue temporarily from the programme for a maximum of two semesters for reasons of ill health or other medical reasons, based on the recommendation from FA and HoD. For break of study due to illness, all necessary medical reports and medical certificates from the doctor treating the student, giving definite reasons for the break of study and its duration shall be produced. The medical Certificate should be duly endorsed by the Institute Medical Officer. Before joining back, a fitness certificate from the doctor who treated the student, with endorsement from the Institute Medical Officer has to be submitted. Such temporary discontinuation shall be allowed only twice in the entire duration of the program.
- R.10.2 The students desirous of initiating a start-up venture, shall submit their business proposal to the Centre for Innovation, Entrepreneurship & Incubation (CIEI) of the Institute through the DUGC and HoD concerned. The proposal shall be scrutinized by an Institute Level Review Committee for Innovation, Entrepreneurship and Startups (IRES) constituted by the Director. Based on the recommendation of the committee, the Director may approve the proposal for startup formation. Once the startup is registered, students concerned can submit an application to Dean (Academic) through DUGC, HoD and IRES Committee, if they require an academic break for their start-up activities.
- Dean (Academic) will take appropriate action for temporary discontinuation based on the recommendation by the IRES committee. The academic break shall be given initially for one semester and further extensions will be given by the Dean (Academic) based on a review of the progress and recommendation by the HoD and

IRES committee. Normally a student shall be permitted to discontinue temporarily from the programme for this purpose, only for a maximum duration of four semesters continuously or with breaks.

R.10.3 In case of change in the curriculum/syllabi, a student has to register for the approved equivalent courses (meeting the credits) as per the revised curriculum/ syllabi as per the advice of FA, whenever the student is allowed to continue the programme after the period of discontinuation.

R.10.4 Students proceeding for temporary discontinuation are required to maintain the Institute registration by paying the fees applicable for keeping the registration alive till they resume normal academic activities. Once they join back after temporary discontinuation, fees applicable for regular students shall be paid.

R.11 Discipline

R.11.1 Every student is required to observe discipline and decorous behavior both inside and outside the campus and not to indulge in any activities, which shall tend to bring down the prestige of the Institute.

R.11.2 Any act of indiscipline or misbehavior of a student reported to the Dean (Academic)/ Chairman, Senate will be referred to the appropriate disciplinary committee for further action.

R.11.3 The student who received punishment, if any, may appeal to the Chairman, Senate, whose decision shall be final & binding in all respects.

R.11.4 Ragging of any nature is a criminal and non-bailable offence. Involvement in ragging shall lead to stringent punishment, including imprisonment as per the law of the land. A student, whose involvement in ragging is established, shall be summarily dismissed from the Institute. In all cases of harassment, if any, of the junior students by the seniors, the Institute level Anti-Ragging Committee will take appropriate decisions for immediate implementation by the Institute. Each student of the Institute, along with the parent, is required to give an undertaking in this regard and the same is to be submitted at the time of registration.

R.12 Attendance and Leave

R.12.1 Students are expected to attend all the classes for the courses they have registered for. The standard policy of the Institute is 80% attendance for any course. However, it is the prerogative of the course faculty to fix the attendance requirement for their courses without exceeding the 80% limit. The attendance policy of the course faculty shall be announced to the students in the first class itself. It has to be later presented and approved in the first class committee meeting. If a student could not attend any of the classes due to medical issues or any other compelling reasons, leave application as detailed below needs to be submitted to the course faculty.

- (i) Application for any leave shall be submitted within five instructional days after returning from leave or, on or before the last instructional day of the semester, whichever is earlier.
- (ii) Application for leave on medical grounds must be supported with necessary treatment records for the period of leave applied for. It is expected that the student shall inform the course faculty before proceeding on medical leave under normal circumstances.

R.12.2 A student, whose attendance for any course registered in a semester is less than 80% or the limit prescribed by the course faculty, is not eligible to appear for the end

semester examination for that particular course unless the shortage of attendance is condoned as per R.12.4. The percentage of attendance shall be calculated based on the number of classes conducted from the date of commencement of the semester as per the academic calendar except for first semester students. In the case of first semester students, it shall be counted from the date of admission of the student to the Institute or start of the classes, whichever is later.

R.12.3 Students whose attendance is less than 80% or the limit prescribed by the course faculty, for any course registered in a semester, shall be informed on the shortage of attendance on or before the last instructional day.

R.12.4 Those students with attendance less than 80% or the limit prescribed by the course faculty, for any course registered in a semester, will be eligible to get their shortage of attendance condoned and hence to appear for the end semester examination for that course only if the student apply for condonation subject to the following conditions

- (i) the attendance in that semester for the course concerned, without applying any condonation, is not less than 50% of the total classes handled for that course.
- (ii) attendance after applying the condonation for co-curricular/extra-curricular activities based on the approval granted by competent authorities (maximum limit is 10% of the classes handled by the course faculty) and the condonation on medical grounds is more than 80% or the limit prescribed by the course faculty.

R.12.5 If a specific attendance requirement is prescribed for a course, all requests for the condonation of shortage of attendance must be submitted to the corresponding course faculty. The course faculty shall examine such requests and supporting documents and take a decision on whether the shortage of attendance can be condoned or not, well before the date of the end-semester examination of the course concerned. In case the student has a grievance on the decision of the course faculty, an appeal can be made to the DUGC and the decision of this committee shall be final and binding.

R.12.6 Students who have enrolled to Centre for Career Development (CCD) of the Institute for internship/ placement related activities are eligible for duty leave upto a maximum of ten days per semester, subject to the actual absence from class for these activities. The attendance details on day / company basis shall be provided by CCD, to the concerned departments/schools to verify the claims from the students.

R.13 Assessment Procedure

R.13.1 The Senate shall decide the assessment procedure from time to time. It shall be based on the system of tests, assignments, tutorials, presentations, quizzes, course projects, reports, etc. and the end semester examinations in each course in each semester.

R.13.2 Minimum one mid semester test with a minimum duration of 90 minutes is mandatory for lecture based courses and for courses where lectures are clubbed either with practical, drawing, projects, etc. The number of assignments, tutorials, presentations, quizzes, course projects, reports, etc. shall be decided by the course faculty.

R.13.3 One end-semester examination with a minimum of two hours duration for each lecture based course and for each course where lectures are clubbed either with practical or drawing or projects etc. End semester examination is not mandatory for laboratory/practical/drawing courses.

R.13.4 The weightage of marks for various evaluation components shall be finalized by the

- course faculty with the approval of the class committee.
- R.13.5 The method of assessment for laboratory/practical/drawing courses, shall be based on tests and the performance of students in the regular laboratory/practical/drawing classes. This will be finalized by the course faculty with the approval of the class committee.
- If the end semester examination is planned for a laboratory/practical/drawing course, it shall be conducted before the last instructional day and the weightage for it should not exceed 30%.
- R.13.6 The evaluation policy of courses, offered as part of Activity Credits (AC) shall be finalised by the instructor as per the guidelines issued by the Dean(Academic) from time to time.
- R.14 Make-up Examination**
- R.14.1 Students who miss the mid semester or end-semester examinations due to ill-health requiring hospitalization /physical indisposition with inability to move or any other compelling reason judged to be valid by the FA/HoD, are eligible for make-up examinations. Requirement of hospitalized treatment is not applicable in the case of contagious disease like chicken pox. Make-up examination for the mid-semester component shall be conducted based on the mutual convenience between the students and course faculty during the semester. The make-up examination for the end-semester component shall be conducted along with the re-examination (REX) as per R18. Students appearing for make-up examination will not be permitted to appear for REX for the same course.
- R.14.2 Those who miss mid semester or end semester examination in a course shall apply to the HoD concerned through FA within five instructional/ working days after the missed mid semester/end semester examination or before the prescribed date indicated in the academic calendar whichever is earlier, giving the reasons/proofs for the absence. Applications received after this period will not be entertained.
- Students applying for make-up examination due to medical reasons must produce a medical certificate (as the proof for absence) from a Registered Medical Practitioner certifying that the student was admitted to hospital during the period of examination or the student was not in a condition to write the examination.
- All applications for make-up examinations when approved by the HoD, the FA shall inform the same to the course faculty concerned. The list of students permitted to appear for the make-up examinations for the mid semester and end-semester examinations shall be published by the department/school.
- R.14.3 Make-up examinations for mid semester and end semester examinations shall be conducted by the course faculty concerned and incorporate the marks of the relevant make-up examinations, finalise the results of the students to whom I grade was awarded as per R.16 (in case of end-semester make-up examination) and report the results to HoD/ Dean (Academic) through the Chairperson of the Class Committee with appropriate entries in the Institute IMS.
- R.15 Project/ Internship**
- R.15.1 The curricula of all B.Tech programmes shall provide opportunity to do four projects/internship with explicit credits awarded to each of them. The specific details

- of each of them are outlined from R15.2 to R.15.10
- R.15.2 Project work in the 6-th semester is mandatory for all the B.Tech students.
- R.15.3 One or more Summer internships with a total duration 6-10 weeks after 6-th semester is mandatory for all the B.Tech students. It is to be preferably done in an Industry/R&D organization / Govt.Departments / Start-up companies / reputed academic and other institutions in India or abroad.
- R.15.4 Students who are not getting the opportunity to do summer internship outside the Institute can do the same in the Institute by associating with the R&D or other suitable projects of faculty members.
- R.15.5 The evaluation of this internship will be done during 7-th semester by one or more committees duly constituted by the HoD and a letter grade as per R16.1 shall be awarded along with grading for other courses enrolled in the 7-th semester. All students required to submit a report on the internship to the respective departments/schools.
- R.15.6 Department/school will have the freedom to prescribe Project work in the 7-th semester as mandatory or optional. If it is prescribed as optional in the curriculum, students will be able to replace it with Program Elective courses of equivalent credits. If the academic requirements as per curriculum permits, a student will be able to replace project work in the 7-th semester with internship. This shall be permitted by the FA and HoD of the student concerned.
- R.15.7 Project work in the 8-th semester shall preferably be done as an internship in Industry /own entrepreneurial venture / R&D organizations /Start-ups/ other academic institutions of repute in India or abroad. Students who are not getting an opportunity to do internship outside the Institute can do the same in the Institute or substituted by Programme Elective courses of equivalent credits.
- R.15.8 Enough flexibility shall be provided to students to choose topics projects from 6-th semester to 8-th semester as independent or connected works, individual or groups and form project groups across the departments/schools.
- R.15.9 The project work/Internship will be assessed by a panel of examiners (within the Department/ within the Institute/ experts from outside the Institute) decided by the HoD. In the case of multidisciplinary projects involving students from different departments/schools, the guidelines issued by the Senate as per S87.2.8 shall be followed for the constitution of the evaluation committee. Method of assessment/ evaluation will be announced in the class committee. If experts from outside the Institute are invited for evaluation, it shall be with the approval of the Dean (Academic).
- R.15.10 On completion of the project, students shall submit a report in the prescribed format to the department/school. Number of copies and the format will be as per the department guidelines. Soft copy of the report shall be submitted to the Institute Digital Library.
- R.15.11 Students are expected to make serious efforts to do the project in each of the phases so as to attain tangible outcomes such as publications, patents and copyrights from each of them or jointly.
- R.16 Method of Grading**
- R.16.1 Based on the semester performance, each student will be awarded a final letter grade for each course, where the letter grades will correspond to the grade points as shown

below.

Grade	Grade points
S	10
A	9
B	8
C	7
D	6
E	5
F (Failure to credit the course)	0
W (Insufficient attendance)	0
I (Incomplete assessment)	0

A student is said to have credited a course or earned credits in respect of a course when a grade other than F, W or I is secured for that course.

- R.16.2
- After the valuation of the answer scripts of end semester examination and the tabulation of marks for each course out of 100, the Course Faculty shall decide the range of marks for various letter grades S, A, B, C, D, E and F and award the letter grades to the students in that course accordingly. One or more class committee meetings without the student members shall be held before the date fixed for the declaration of results as per the academic calendar and the letter grades awarded to the students by the course faculty for various courses shall be scrutinised and finalized in that meeting, with appropriate entries in the Institute IMS. Chairperson of the CC shall then submit the verified and signed copy of the final results to the HoD for forwarding it to the Dean (Academic). One set of hard copies of consolidated results shall be kept at the department/school for reference and records.
- R.16.3
- Grade I (English Alphabet I) will be awarded by a course faculty to a student in a course as an interim grade when the assessment of the student in that course stands incomplete due to certain valid reasons like eligibility for make-up examination. Once I grade is awarded to a student, the concerned course faculty shall ensure that it will be converted to a final grade before the next academic session (Monsoon/Winter) and the same shall be informed to the academic section through the Chairperson, CC and HoD.
- R.16.4
- Students whose attendance is less than 80% for a course in a semester will be awarded the letter grade W for that particular course in that semester irrespective of the marks obtained by them for that course, unless their shortage of attendance is condoned as per R.12.4.

R. 17 Declaration of Results

- R.17.1
- Semester results will be published on the date fixed for the declaration of results as per the academic calendar.
- R.17.2
- Final results of the students to whom I grade was awarded as per R.15.3 will be published in due course after the make-up examination.

R.18 Re-examination

- R.18.1
- A student who earns F grade for a theory course in a Monsoon or Winter Semester can appear for a Re-examination (REX) which will be conducted immediately after the declaration of the results of the semester or repeat the course when it is offered next time. REX shall be conducted for 100% marks covering the entire syllabus of the course. The maximum grade eligible to receive by a student for the REX shall be “E”. Dean (Academic) shall issue notices regarding the mode of application for the same, prescribed examination fee per course, mode of fee payment, etc.
- R.18.2
- In case, a student gets F grade again in REX, the course has to be repeated when it is offered next time. However, in the case of elective courses, alternative elective courses can also be chosen.
- R.18.3
- Separate Grade Cards will be issued for the Re-examination (REX).

R.19 Re-evaluation of Answer Scripts

- R.19.1
- If a student has any grievance on the grade in a Lecture/Lecture cum Laboratory based course, the course faculty concerned can be contacted within 5 working days after the publication of the results or the commencement of the immediately succeeding semester, whichever is later. The end semester examination answer scripts shall be shown to the student by the course faculty. If it is felt that the case is genuine, the faculty shall revalue the answer scripts, provided a request is submitted through FA and HoD. The revised grade, if any, shall be forwarded to the Dean(Academic) through the Chairperson of the CC and HoD of the department/school where the student belongs to, with proper justification for the revision. The course faculty shall ensure that the decision on the request is communicated in writing to the student within a week, if there is no change in the published results.
- R.19.2
- If the student is not satisfied with the decision of the course faculty, an appeal can be submitted to the Dean(Academic) through FA and HoD for re-evaluation of the answer scripts by another faculty along with the receipt for the payment of prescribed re-evaluation fee within ten working days on receipt of the communication from the course faculty. Dean (Academic) may arrange for the re-evaluation of the answer scripts by another faculty member from a panel of minimum 2 examiners proposed by the HoD of the Department/School/Centre offered the course. Once the result of re-evaluation of answer scripts is intimated by the faculty who conducted the re-evaluation to the Dean (Academic), the results obtained on re-evaluation will replace the earlier results, if the difference is more than 5% of the maximum marks. Requests received for re-evaluation after the stipulated time shall not be entertained. The result after this re-valuation shall be final and no further process shall be permitted. Also there shall not be any revaluation of answer scripts of REX and contact courses.

R.20 Grade Point Average

- R.20.1
- The performance of a student in a semester is indicated by the Semester Grade Point Average (SGPA) which is given as
$$SGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course and the summation is over all the courses registered by the student in the relevant semester excluding the credits for Activity Points.

R.20.2 The performance of a student up to and including a particular semester is indicated by the Cumulative Grade Point Average (CGPA) which is given as

$$CGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course and the summation is over all the courses registered by the student up to and including the relevant semester excluding the credits for Activity Points.

R.20.3 The CGPA is not convertible to percentage. However, notionally the CGPA may be multiplied by a factor of 10 to obtain a numerical percentage.

R.21 Class/ Division

R.21.1 Class/ Division awarded by the Institute shall be based on CGPA as follows.

First Class with Distinction: $CGPA \geq 7.5$

First Class: and above: $7.5 > CGPA \geq 6$ and

Second Class: $6 > CGPA \geq 5$

R.22 Slow-pace Learning

R.22.1 Courses to be normally registered in each semester are specified in the curriculum. However, a student may register for a lesser number of credits than specified in the curriculum subject to satisfying R.8 and R.9 with the approval of FA.

R.23 Contact Course

R.23.1 Contact course refers to an accelerated course where the entire classes and examinations related to a course shall be completed in 30 to 45 days’ time.

R.23.2 At the end of final semester, if a student has completed all the courses prescribed in the curriculum except one course after the publication of REX results, an application for contact course can be submitted for the approval of Dean (Academic) through DUGC and HoD provided:

- (i) A faculty member is willing to offer such a course with a prescribed course plan and evaluation policy
- (ii) Student remits the prescribed fees for the same to the Institute

R.23.3 The maximum grade eligible to receive by a student for the contact course shall be “C”.

R.24 Transfer of Credits

R.24.1 Within the broad framework of these regulations, the Dean (Academic), on the recommendation of the concerned DUGC and DCC may permit students to earn part of the credit requirements in other approved Institutes of repute and status in the country or abroad. The Chairman, Senate may, in other exceptional cases, approve admission to the candidates with advance credits earned from other approved Institutes of repute and status in the country or abroad, recommended by the DUGC and DCC. The appropriate credit mapping in above cases will be done by Dean (Academic) based on the recommendations from DUGC & DCC

R.25 Eligibility for the Award of B.Tech. Degree

- R.25.1 A student becomes eligible for the award of the B. Tech. Degree when
- (i) credited all the core courses in the relevant B. Tech curriculum within the stipulated time,
 - (ii) acquired the category-wise minimum credits and activity points in the relevant B. Tech curriculum
 - (iii) no dues to any departments/ sections of the Institute including hostels, and
 - (iv) no disciplinary action is pending

The award of the degree shall be recommended by the Senate and approved by the Board of Governors of the Institute.

R.26 Power to Modify

R.26.1 Notwithstanding all that has been stated above, the Senate has the right to modify any of the above regulations from time to time.

ORDINANCES

- O.1
- Eligibility for admission, admission policy and procedure shall be decided from time to time by the Senate/ Board of Governors (BoG) of the National Institute of Technology Calicut (Henceforth referred to as Institute), following the guidelines issued by the Ministry of Education (MoE), Government of India (GoI).
- O.2
- The Institute offers regular full-time B.Arch. Programme. The duration of the B.Arch. Programme shall be five years (10 semesters). Every academic year consists of two semesters-Monsoon Semester (July-August to November-December) and Winter Semester (December-January to April-May).
- O.3
- Award of B. Arch. Degree shall be in accordance with the regulations of the Senate of the Institute.
- O.4
- The Senate/ BoG of the Institute has the right to modify any regulations stated from time to time.

REGULATIONS

- R.1
- Admission**
- R.1.1
- Admission to the B. Arch programme of the National Institute of Technology Calicut will be in accordance with the instructions received from the MoE, GoI, from time to time. The number of seats in the B. Arch programme will be decided by the Senate/ BoG of the Institute following the instructions from MoE, GoI. Reservation of seats to various categories shall be as per the directives from MoE, GoI from time to time. A limited number of seats may be offered to Foreign Nationals and Indians living abroad in accordance with the rules and procedures issued by the MoE, GoI and the Institute from time to time.
- R.1.2
- Eligibility for admission to the Programme will be published by the centralized counselling and allotment agency or the Institute in the respective academic year.
- R.1.3
- Candidates have to fulfil the medical standards required for admission as set out in the Information Brochure of the Institute or by any other body or organization entrusted by MoE, GoI / the Institute.
- R.1.4
- The selected candidates shall be admitted to the B. Arch programme after they fulfil all the admission requirements set by the Institute and after payment of the prescribed fees.
- R.1.5
- In all matters related to admission to the B. Arch programme, the decision by the Institute or any other body/organization entrusted by MoE, GoI / the Institute and its interpretation given by the Chairman of the Senate shall be final and binding.
- R.1.6
- If, at any time after admission, it is found that a candidate has not fulfilled any of the requirements stipulated by the Institute or any other body or organization entrusted for the admission by MoE, GoI / the Institute, the Dean (Academic) may revoke the admission of the candidate and report the matter to the Senate.
- R.1.7
- The fee structure shall be decided by MoE, GoI or any other body or organization entrusted by MoE, GoI or the Institute from time to time.
- R.2
- Structure of the B.Arch. Programme**
- R.2.1
- The B Arch programme offered by the Institute shall have a credit-based curriculum with a minimum total credit requirement of 220 Credits to become eligible for the award of the B Arch Degree.
- R.2.2
- The B Arch programme curriculum of the Institute shall have five categories with category-wise minimum credit requirements as shown below,

Sl. No.	Category	Credits
1.	Programme Core (PC) + Programme Elective (PE)	183
2.	Open Elective (OE)	9
3.	Institute Core (IC)	9
4.	Institute Elective (IE)	15
5.	Activity Credits (AC)	04
	Total	220

- Programme Core (PC) + Programme Elective (PE) comprises the courses offered by the Department of Architecture & Planning (Henceforth referred to as Department)
- Open Elective (OE) comprises the courses offered by any Department/School/Centre of the Institute or online platforms approved by the Institute, with the maximum number of courses from such platforms limited to 2.
- Institute Core (IC) comprises (i) one course on Mathematics for three credits, (ii) One course on Professional Communication for three credits, (iii) One course on Professional Practice & Ethics for two credits and (iv) one course on Workshop for one credit.
- Institute Elective (IE) comprises (i) One course on Entrepreneurship/ Innovation (EI) for three credits, (ii) Two courses on Digital/ Automation Technologies (DA) for six credits and (iii) Two courses on Humanities/ Social Science/ Management (HM) for six credits.
- Activity Credits (AC) comprise courses like Environmental Studies and co-curricular/extra-curricular activities items like publications, patents, participation in workshops, conferences, training programmes, sports, Institute approved club activities etc., from which the students are expected to obtain 80 points towards four credits which are not counted for CGPA. The Institute will issue the details of activities counted towards AC and the corresponding points from time to time.
- R.2.3 The general pattern of the credit system followed in the Institute is (i) one credit for each lecture session per week per semester, (ii) one credit for two laboratory practical sessions per week per semester, (iii) two credits for three laboratory practical sessions per week per semester, (iv) appropriate credits for design/ seminar/ project/ thesis/ lecture clubbed sessions per week per semester.
- R.2.4 The B. Arch programme offered by the Institute shall have a curriculum and syllabi of courses approved by the Senate, and the syllabus of any course gets modified/ updated by the Senate from time to time on the recommendation of the respective Department Undergraduate Committee (DUGC), Department Consultative Committee (DCC) and Board of Academic Council (BoAC).
- R.2.5 The Department of Architecture & Planning will offer all the core courses prescribed in the curriculum and a sufficient number of elective courses in various categories as required by the curriculum every semester. The Courses are classified as first, second, third, fourth or fifth-level courses to indicate the eligibility of a student to register for a course, based on their academic progress to get enrolled into the first, second, third, fourth or fifth year of their study respectively.
- R.2.6 Students will not be permitted to register for more courses than the number of courses specified in the curriculum to improve the cumulative grade point average (CGPA).
- R.2.7 English will be the language of instruction and examinations for all the courses in the Institute unless explicitly stated otherwise at the announcement of the course during a semester.
- R.3 Minor Programmes**
- R.3.1 A B Arch student may apply for any of the Minor Programmes offered by the Institute from time to time along with their B Arch programme.
- R.3.2 Students registering for a Minor Programme need to credit a set of 4 additional courses

- carrying total credits in the range 12-16 from a basket of courses prescribed for the Minor Programme. Additionally, such students registering for the minor Programme shall be required to credit two of their OE category courses as per the advice of the Faculty Coordinator for the respective Minor Programme.
- R.3.3 A student opting for a Minor Programme has to register for the relevant Minor courses 1 to 4 in the semesters 4 to 7, respectively and earn the credits for the same with a stipulated CGPA of 7 for the minor courses as per R.20 to become eligible for the award of the B.Arch Degree with the Minor. All courses registered as part of the minor program are to be successfully completed in the first attempt itself. REX prescribed as per R.18 shall not be conducted for Minor courses. Grades secured for courses for Minor Programme, except for the OE courses, shall not be counted for the CGPA of the B.Arch programme. A separate grade card for the courses credited as part of the Minor Programme will be issued. A student who successfully completes the minor Programme shall be awarded a Degree in B Arch with a minor in the chosen specialization as a single certificate.
- R.3.4 The Institute shall have the power to set the minimum number of students required for offering a Minor Programme and limit the number of seats for any Minor Programme. Also, the total number of seats in the Minor Programmes will be a fraction of the sanctioned intake for the UG programmes. CGPA for the first two semesters shall be the admission criteria for the Minor Programme.
- R.3.5 Institute cannot guarantee admission to any specific Minor Programme. Also, separate fees shall be applicable for the Minor Programme, which the Institute will decide from time to time.
- R.4 Faculty Advisor**
- R.4.1 To help the students plan their courses of study and get general advice on the academic Programme, the Department will assign a certain number of students to a regular faculty member who will be called their ‘Faculty Advisor (FA)’. One FA will act as the coordinating FA when more than one FAs are assigned to a class of students.
- Students shall first approach their FA for all academic advice, course registrations, leave and all academic/study-related matters in the Institute. Whenever required, the FA shall provide the necessary guidance to the students. FA shall make appropriate recommendations or remarks on the applications submitted by the students before forwarding them to HoD/other officials concerned.
- The FA will keep the complete record of academics, attendance/ leave, disciplinary actions, if any, contact details of parents/ local guardians and any other relevant data of the students assigned.
- If the performance of a student is found unsatisfactory in class tests or if the student is not regular in the class as informed by any course faculty in a class committee, FA shall give necessary motivation/ advice or warning to the student concerned. If the student does not show any improvement, the matter shall be reported to HoD.
- Parents/ Local guardian shall maintain contact with the FA to seek information on the performance of their ward.
- R.5 Class Committee**
- R.5.1 A semester-wise Class Committee (CC) consisting of all course faculty, FAs and student representatives shall be constituted by the Head of the Department (HoD). The Chairperson of the Class Committee shall be appointed by the Head of the

- Department.
- R.5.2 The term of the CC shall be one semester. The Committee shall meet at least thrice during a semester. The Dean (Academic) or nominee or HoD shall have the right to be present in any CC meetings. The FA shall record the meeting proceedings, and the Chairperson shall communicate a copy to the HoD for further action.
- R.5.3 The responsibilities of the CC include the following:
- (i) Finalisation of the course plan, attendance and evaluation policies of all courses.
 - (ii) Explore the possibility of horizontal integration of the courses in a semester and finalize the scheme in the first class committee meeting.
 - (iii) Periodic review of the progress of the classes and attendance of the students.
 - (iv) Identification of students with poor performance and low attendance and reporting the matter to FAs and HoD.
 - (v) Giving suggestions and recommendations regarding the curriculum and syllabi, if any, to the DCC/HOD
 - (vi) Finalization of the semester results (without the student members) and forwarding the same to the HoD in the prescribed format.
- R. 6 Department Undergraduate Committee**
- R.6.1 Department Undergraduate Committee (DUGC) shall comprise the faculty advisor/s of all semesters of the B Arch programme (first year to final year). The Department UG programme coordinator will also be a member of this committee. The Chairperson (from the committee members), as well as members of the committee, shall be appointed by the HoD every year.
- R.6.2 Responsibilities of the Committee: The committee shall review, discuss and recommend all matters relating to the B Arch programme, including but not limited to:
- (i) Recommend to the Department Consultative Committee (DCC) the Curriculum and Syllabus revision required for the Programme, including new elective courses for the existing Programme. If there are separate departmental committees for curriculum revision, the members of the DUGC shall be automatically part of such committees.
 - (ii) Process the application for condonation of attendance shortage as per R.12 and provide recommendations to HoD
 - (iii) With HoD as Chairperson, DUGC shall conduct inquiries on examination malpractice cases reported from B Arch examinations and make recommendations to the Dean (Academic) regarding penalties to be imposed. Additional members for this purpose may be appointed by the HoD if required. Such an inquiry committee will have an External Member nominated by the Dean (Academic).
 - (iv) Recommend to the BoAC, through DCC, appropriate measures to deal with the specific issues of concern arising due to the effect of periodic revision of curriculum and academic regulations.
 - (v) Make recommendations to BoAC through DCC on matters related to the implementation of new academic policies, evaluation of credits earned from other institutions as part of exchange programmes, Academic Bank of Credits

- (ABC) and similar initiatives.
- (vi) Any other activities/tasks assigned by the HoD from time to time.

R.7 Registration and Enrolment

- R.7.1 Registration of a student refers to the selection of courses planned by the student to be credited in the next semester as per the applicable curriculum through the Institute Information Management System (IMS) during the time frame specified by the academic section. Enrollment refers to the physical reporting of the students before the FA on the day specified by the Academic Section immediately before the commencement of the semester.
- R.7.2 Maximum credits that can be registered by a B.Arch. student of any semester (except ninth and tenth semesters) is the total credits of the concerned semester as per the relevant curriculum. However, students who are repeating failed courses/dropped courses along with regular courses shall be permitted to overload one course in addition to the normal credit for the semester. For students who are only repeating the courses/ crediting the dropped courses or who are in ninth/tenth semester, the maximum number of credits that can be registered is 28. Also, students who have opted for the Minor program will be permitted to credit one course extra as part of such program from semesters 4 to 7.
- R.7.3 A student with a W grade in a core course, as per R.16, has to repeat it compulsorily, whereas a student with an F grade can either repeat it or appear for a Re-examination (REX), as per R.18. If the particular course is not available in the revised curriculum, then the student shall register for the approved equivalent course available. A student with W/ F grade in an elective course as per R.16 can either repeat the same elective course or register for a new elective course based on the advice of the FA.
- R.7.4 Registration for higher-semester courses is permissible only after registering for all the remaining core courses from lower semesters that are being offered at the time, subject to the maximum number of credits permitted as per R 7.2
- R.7.5 B. Arch. students are allowed to register for courses from the PG programmes offered by the Institute during their final and pre-final year subject to permission from the DCC of the Department as:
- (i) OE, if the course is offered by other departments/schools
 - (ii) OE/PE, if the course is offered by the Department
- On the advice of the FA and permission from the course faculty, provided that their CGPA is 7.5 or above.
- R.7.6 Adding/ dropping a course(s) to/ from the initial registration is permitted only for valid reasons within the stipulated time as per the guidelines and procedure announced by the academic section.
- R.7.7 A student shall be eligible for registration and enrolment for a semester only if (i) the minimum requirement to continue the Programme as per regulation R.8 is satisfied, (ii) cleared all the dues in the Institute, Hostel & Library up to the end of the previous semester, and (iii) is not debarred from enrolment by disciplinary action of the Institute (iv) has completed the course feedback on the courses registered in the previous semester, as notified by the academic section (v) has paid all the tuition fees and all other relevant fees, if any, prescribed by the Institute.
- R.7.8 The Institute reserves the right to cancel the registration of a student to a semester

subsequent to the registration if it is found that any of the conditions in R.7.7 were violated at the time of registration unless the initial registration was made with the explicit prior written permission from the Chairperson of the Senate.

- R.7.9 Students have to ensure from each course faculty that their names are included in the list of registered students at the beginning of the semester on the first instructional day itself. If the name is not included, students have to contact their FA.

R.8 Minimum Requirements to Continue the Programme

- R.8.1 A student admitted to the B. Arch programme in the first semester can continue up to the 10th semester, in ascending order, subject to the following conditions:

- (i) Registration to the Fourth year shall be permitted only after successfully completing all core courses prescribed up to and including the fourth semester within a maximum period of 8 semesters (4 years) excluding the temporary discontinuation granted as per R.10 if any.
- (ii) Registration to the Fifth year shall be permitted only after successfully completing all core courses prescribed up to and including the sixth semester within a maximum period of 12 semesters (6 years) excluding the temporary discontinuation granted as per R.10 if any.
- (iii) Successfully maintain registration to all the semesters.

- R.8.2 If the student fails to satisfy the conditions in R 8.1, the appropriate exit policy, as applicable for the credits earned by the students based on Institute norms, shall be applied.

R.9 Maximum Duration of the Programme

- R.9.1 The normal duration of the B Arch programme is Ten semesters (five years). However, a student may complete the Programme at a slower pace by taking more time, but in any case, not more than Twenty semesters (Ten years), excluding the semesters withdrawn on temporary discontinuation as per R.10.

R.10 Temporary Discontinuation

- R.10.1 A student may be permitted by the Dean (Academic) to discontinue temporarily from the Programme for a maximum of two semesters for reasons of ill health or other medical reasons, based on the recommendation from FA and HoD. For a break of study due to illness, all necessary medical reports and medical certificates from the doctor treating the student, giving definite reasons for the break of study and its duration, shall be produced. The medical certificate should be duly endorsed by the Institute Medical Officer. Before joining back, a fitness certificate from the doctor who treated the student, with endorsement from the Institute Medical Officer, has to be submitted. Such temporary discontinuation shall be allowed only twice during the entire duration of the Programme.

- R.10.2 The students desirous of initiating a start-up venture, shall submit their business proposal to the Centre for Innovation, Entrepreneurship & Incubation (CIEI) of the Institute through the DUGC and HoD concerned. The proposal shall be scrutinized by an Institute Level Review Committee for Innovation, Entrepreneurship and Startups (IRES) constituted by the Director. Based on the recommendation of the committee, the Director may approve the proposal for startup formation. Once the startup is registered, students concerned can submit an application to Dean (Academic) through DUGC, HoD and IRES Committee, if they require an academic break for their start-

up activities.

Dean (Academic) will take appropriate action for temporary discontinuation based on the recommendation by the IRES committee. The academic break shall be given initially for one semester and further extensions will be given by the Dean (Academic) based on a review of the progress and recommendation by the HoD and IRES committee. Normally a student shall be permitted to discontinue temporarily from the programme for this purpose, only for a maximum duration of four semesters continuously or with breaks.

- R.10.3 In case of a change in the curriculum/ syllabi, a student has to register for the approved equivalent courses (meeting the credits) as per the revised curriculum/ syllabi as per the advice of FA whenever the student is allowed to continue the Programme after the period of discontinuation.

- R.10.4 Students proceeding for temporary discontinuation are required to maintain the Institute registration by paying the fees applicable for keeping the registration alive till they resume normal academic activities. Once they join back after temporary discontinuation, fees applicable for regular students shall be paid.

R.11 Discipline

- R.11.1 Every student is required to observe discipline and decorous behaviour both inside and outside the campus and not to indulge in any activities which shall tend to bring down the prestige of the Institute.

- R.11.2 Any act of indiscipline or misbehaviour of a student reported to the Dean (Academic)/ Chairman; Senate will be referred to the appropriate disciplinary committee for further action.

- R.11.3 The student who received punishment, if any, may appeal to the Chairman, Senate, whose decision shall be final & binding in all respects.

- R.11.4 Ragging of any nature is a criminal and non-bailable offence. Involvement in ragging shall lead to stringent punishment, including imprisonment as per the law of the land. A student whose involvement in ragging is established shall be summarily dismissed from the Institute. In all cases of harassment of junior students by the seniors, the Institute level Anti-Ragging Committee will take appropriate decisions for immediate implementation by the Institute. Each student of the Institute, along with the parent, is required to give an undertaking in this regard, and the same is to be submitted at the time of registration.

R.12 Attendance and Leave

- R.12.1 Students are expected to attend all the classes for the courses they have registered for. The standard policy of the Institute is 80% attendance for any course. However, it is the prerogative of the course faculty to fix the attendance requirement for their courses without exceeding the 80% limit. The attendance policy of the course faculty shall be announced to the students in the first class itself. It has to be later presented and approved in the first class committee meeting. If a student could not attend any of the classes due to medical issues or any other compelling reasons, leave application as detailed below needs to be submitted to the course faculty.

- (i) Application for any leave shall be submitted within five instructional days after returning from leave or, on or before the last instructional day of the semester, whichever is earlier.
- (ii) Application for leave on medical grounds must be supported with necessary

2023 Ordinances and Regulations for B.Arch. Programme at NIT Calicut

treatment records for the period of leave applied for. It is expected that the student shall inform the course faculty before proceeding on medical leave under normal circumstances.

- R.12.2 A student, whose attendance for any course registered in a semester is less than 80% or the limit prescribed by the course faculty, is not eligible to appear for the end semester examination for that particular course unless the shortage of attendance is condoned as per R.12.4. The percentage of attendance shall be calculated based on the number of classes conducted from the date of commencement of the semester as per the academic calendar except for first semester students. In the case of first semester students, it shall be counted from the date of admission of the student to the Institute or start of the classes, whichever is later.
- R.12.3 Students whose attendance is less than 80% or the limit prescribed by the course faculty, for any course registered in a semester, shall be informed on the shortage of attendance on or before the last instructional day.
- R.12.4 Those students with attendance less than 80% or the limit prescribed by the course faculty, for any course registered in a semester, will be eligible to get their shortage of attendance condoned and hence to appear for the end semester examination for that course only if the student apply for condonation subject to the following conditions
- the attendance in that semester for the course concerned, without applying any condonation, is not less than 50% of the total classes handled for that course.
 - attendance after applying the condonation for co-curricular/extra-curricular activities based on the approval granted by competent authorities (maximum limit is 10% of the classes handled by the course faculty) and the condonation on medical grounds is more than 80% or the limit prescribed by the course faculty.
- R.12.5 If a specific attendance requirement is prescribed for a course, all requests for the condonation of shortage of attendance must be submitted to the corresponding course faculty. The course faculty shall examine such requests and supporting documents and take a decision on whether the shortage of attendance can be condoned or not, well before the date of the end-semester examination of the course concerned. In case the student has a grievance on the decision of the course faculty, an appeal can be made to the DUGC and the decision of this committee shall be final and binding.
- R.12.6 Students who have enrolled to Centre for Career Development (CCD) of the Institute for internship/ placement related activities are eligible for duty leave upto a maximum of ten days per semester, subject to the actual absence from class for these activities. The attendance details on day / company basis shall be provided by CCD, to the concerned departments/schools to verify the claims from the students.

R.13 Assessment Procedure

- R.13.1 The Senate shall decide the assessment procedure from time to time. It shall be based on the system of tests, assignments, tutorials, presentations, quizzes, course projects, drawings, reports, etc. and the end-semester examinations in each course in each semester.
- R.13.2 A minimum of one mid-semester test with a minimum duration of 90 minutes is mandatory for lecture-based courses and for courses where lectures are clubbed with practicals, drawings, projects, etc. The number of assignments, tutorials, presentations, quizzes, course projects, reports, etc., shall be decided by the course faculty.

2023 Ordinances and Regulations for B.Arch. Programme at NIT Calicut

- R.13.3 There shall be an end-semester examination with a minimum of two hours duration for each lecture-based course and for each course where lectures are clubbed either with practical or drawing or projects etc. The end-semester examination is not mandatory for laboratory/practical courses.
- R.13.4 The weightage for various evaluation components shall be finalized by the course faculty with the approval of class committee.
- R.13.5 The method of assessment for laboratory/practical courses, shall be based on tests and the performance of students in the regular laboratory/practical/drawing classes and will be decided by the course faculty. This will be finalized by the course faculty with the approval of class committee.
- If the end-semester examination is planned for a laboratory/practical course, it shall be conducted before the last instructional day with a maximum of 30%.
- R.13.6 The evaluation policy of courses offered as part of Activity Credits (AC), shall be finalized by the instructor concerned in consultation with the Dean (Academic).
- R.13.7 End semester Examination for Architectural Design Courses will be conducted by a panel of examiners with Design studio in charge as the internal examiner and one or more experts from reputed institutes/industry as external examiner/s.
- The panel of examiners will be constituted by the HoD in consultation with the respective Class Committee.

R.14 Make-up Examination

- R.14.1 Students who miss the mid semester or end-semester examinations due to ill-health requiring hospitalization /physical indisposition with inability to move or any other compelling reason judged to be valid by the FA/HoD, are eligible for make-up examinations. Requirement of hospitalized treatment is not applicable in the case of contagious disease like chicken pox. Make-up examination for the mid-semester component shall be conducted based on the mutual convenience between the students and course faculty during the semester. The make-up examination for the end-semester component shall be conducted along with the re-examination (REX) as per R18. Students appearing for make-up examination will not be permitted to appear for REX for the same course.
- R.14.2 Those who miss mid semester or end semester examination in a course shall apply to the HoD concerned through FA within five instructional/ working days after the missed mid semester/end semester examination or before the prescribed date indicated in the academic calendar whichever is earlier, giving the reasons/proofs for the absence. Applications received after this period will not be entertained.
- Students applying for make-up examination due to medical reasons must produce a medical certificate (as the proof for absence) from a Registered Medical Practitioner certifying that the student was admitted to hospital during the period of examination or the student was not in a condition to write the examination.
- All applications for make-up examinations when approved by the HoD, the FA shall inform the same to the course faculty concerned. The list of students permitted to appear for the make-up examinations for the mid semester and end-semester examinations shall be published by the department/school.
- R.14.3 Make-up examinations for mid semester and end semester examinations shall be conducted by the course faculty concerned and incorporate the marks of the relevant make-up examinations, finalise the results of the students to whom I grade was

awarded as per R.16 (in case of end-semester make-up examination) and report the results to HoD/ Dean (Academic) through the Chairperson of the Class Committee with appropriate entries in the Institute IMS.

R.15 Thesis/Seminar

R.15.1 The Thesis in the B Arch curriculum is an individual work on a design topic approved by the Department. The Thesis Coordinator will decide on the method of assessment/evaluation, and will be announced in the class committee.

The End semester Jury Examination for the Thesis will be conducted by a panel of examiners consisting of thesis coordinator as the internal examiner and one or more experts from reputed institutes/industry as external examiner/s. The panel of examiners will be constituted by the HoD in consultation with the Class Committee.

Research seminar as per the curriculum shall be prepared and presented by individual students. The Seminar coordinator will decide on the method of assessment/evaluation, and will be announced in the class committee. The final assessment of the Seminar will be conducted by a panel of examiners within the Department.

R.15.2 On completion of the Thesis/Research seminar, the student shall submit a report in the prescribed format to the Department. The number of copies and the format will be as per the Department guidelines. A soft copy of the report shall be submitted to the Institute Digital Library.

R.15.3 Students are expected to make serious efforts to do the Thesis/Seminar to attain tangible outcomes such as publications, patents and copyrights.

R.16 Method of Grading

R.16.1 Based on the semester performance, each student will be awarded a final letter grade for each course, where the letter grades will correspond to the grade points as shown below.

Grade	Grade points
S	10
A	9
B	8
C	7
D	6
E	5
F (Failure to credit the course)	0
W (Insufficient attendance)	0
I (Incomplete assessment)	0

A student is considered to have credited a course or earned credits in respect of a course when a grade other than F, W or I is secured for that course.

R.16.2 After the evaluation of all the interim assessments and the evaluation of the end-semester examination, the total marks secured (out of 100 marks) by students shall be

tabulated by the Course Faculty. The Course Faculty shall then decide the range of marks for various letter grades (S, A, B, C, D, E and F) and award the grades to the students in the course accordingly. One or more class committee meetings without the student members shall be held before the date fixed for the declaration of results as per the academic calendar, and the letter grades awarded to the students by course faculty for various courses shall be scrutinized and finalized, with appropriate entries in the Institute IMS. The Chairperson of the CC shall then submit the verified and signed copy of the final results to the HoD for forwarding to the Dean (Academic). One hard copy of consolidated results shall be kept in the Department for reference and records.

R.16.3 Grade I (English Alphabet I) will be awarded by a course faculty to a student in a course as an interim grade when the assessment of the student in that course stands incomplete due to certain valid reasons like eligibility for a make-up examination. Once I grade is awarded to a student, the concerned course faculty shall ensure that it will be converted to a final grade before the next academic session (Monsoon/Winter). The same shall be informed to the academic section through the Chairperson, CC and HoD.

R.16.4 Students whose attendance is less than 80% for a course in a semester will be awarded the letter grade W for that particular course, irrespective of the marks obtained for that course, unless their shortage of attendance is condoned as per R.12.4.

R. 17 Declaration of Results

R.17.1 Semester results will be published on the date fixed for the declaration of results as per the academic calendar.

R.17.2 The final results of students with an I grade (awarded as per R.16.3) will be published after the make-up examination.

R.18 Re-examination

R.18.1 A student who earns F grade for a theory course in a Monsoon or Winter Semester can appear for a Re-examination (REX) which will be conducted immediately after the declaration of the results of the semester or repeat the course when it is offered next time. REX shall be conducted for 100% marks covering the entire syllabus of the course. The maximum grade eligible to receive by a student for the REX shall be “E”. Dean (Academic) shall issue notices regarding the mode of application for the same, prescribed examination fee per course, mode of fee payment, etc.

R.18.2 In case, a student gets F grade again in REX, the course has to be repeated when it is offered next time. However, in the case of elective courses, alternative elective courses can also be chosen.

A student who earns an F grade in Architectural Design course in the Monsoon or Winter semester after appearing for the end-semester jury examination can apply for Architectural Design Re-Examination (ADREX) during the succeeding summer vacation.

R.18.3 The ADREX will be conducted as a time-bound Design Examination with manual drawing outputs. The duration & complexity of the examination will be based on the respective syllabus and will be decided by the Design studio in charge in consultation with the class committee.

The maximum grade a student can earn after appearing for ADREX will be “E”. ADREX will not be available for ninth semester Architectural Design Studio course.

A student shall be eligible for ADREX only twice during the entire duration of the Programme. The FA shall keep a record of the ADREX availed by the student.

R.18.4 Separate grade cards will be issued for the Re-examination (REX).

R.19 Re-evaluation of Answer Script

R.19.1 If a student has any grievance about the grade in a Lecture/Lecture cum Laboratory-based course, the course faculty concerned can be contacted within five working days after the publication of the results or the commencement of the immediately succeeding semester, whichever is earlier. The end-semester examination answer scripts shall be shown to the student by the course faculty. If it is felt that the case is genuine, the faculty shall revalue the answer script provided the student submit a request through FA and HoD. The revised grade if any shall be forwarded to the Dean (Academic) through the Chairperson of the CC and HoD of the Department with proper justification for the revision. The course faculty shall ensure that the decision on the request is communicated in writing to the student within a week if there is no change in the published results.

R.19.2 If the student is not satisfied with the decision of the course faculty, an appeal can be submitted to the Dean (Academic) through FA and HoD for re-evaluation of the answer scripts by another faculty along with the receipt for the payment of the prescribed re-evaluation fee within ten working days on receipt of the communication from the course faculty as per R 19.1. Dean (Academic) may arrange for the re-evaluation of the answer scripts by another faculty member from a panel of a minimum of two examiners proposed by the HoD of the Department/School/Centre offering the course. Once the result of the re-evaluation of answer scripts is intimated by the faculty who conducted the re-evaluation to the Dean (Academic), the results obtained on re-evaluation will replace the earlier results if the difference is more than 5% of the maximum marks. Requests received for re-evaluation after the stipulated time shall not be entertained. The result after this re-valuation shall be final and no further appeal shall be permitted. Revaluation of answer script is not permissible in REX and contact courses.

R.20 Grade Point Average

R.20.1 The performance of a student in a semester is indicated by the Semester Grade Point Average (SGPA), which is given as

$$SGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course, and the summation is over all the courses registered by the student in the relevant semester.

R.20.2 The performance of a student up to and including a particular semester is indicated by the Cumulative Grade Point Average (CGPA), which is given as

$$CGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course, and the summation is over all the courses registered by the student up to and including the relevant semester, excluding the credits for activity points.

R.20.3 The CGPA is not convertible to a percentage. However, notionally the CGPA may be multiplied by a factor of 10 to obtain a numerical percentage.

R.21 Class/ Division

R.21.1 Class/ Division awarded by the Institute shall be based on CGPA as follows.

First Class with Distinction: CGPA ≥ 7.5

First Class: and above: 7.5 > CGPA ≥ 6 and

Second Class: 6 > CGPA ≥ 5

R.22 Slow-pace Learning

R.22.1 Courses to be normally registered in each semester are specified in the curriculum. However, a student may register for a lesser number of credits than specified in the curriculum subject to satisfying R.8 and R.9 if the student wishes to have a lesser number of courses to study in a semester, with the approval of FA.

R. 23 Contact Course

R.23.1 Contact course refers to an accelerated course where the entire classes and examinations related to a course shall be completed in 30 to 45 days.

R.23.2 At the end of final semester, if a student has completed all the courses prescribed in the curriculum except one course after the publication of REX results, an application for contact course can be submitted for the approval of Dean (Academic) through DUGC and HoD provided:

- (i) A faculty member is willing to offer such a course with a prescribed course plan and evaluation policy
- (ii) Student remits the prescribed fees for the same to the Institute

R.23.3 The maximum grade eligible to receive by a student for the contact course shall be “C”.

R.24 Transfer of Credits

R.24.1 Within the broad framework of these regulations, the Dean (Academic), on the recommendation of the DUGC and DCC, may permit students to earn part of the credit requirements in other approved Institutes of repute and status in the country or abroad. In other exceptional cases, the Chairman, Senate may approve admission for the candidates with advance credits earned from other approved Institutes of repute and status in the country or abroad, recommended by the DUGC and DCC. The appropriate credit mapping in the above cases will be done by Dean (Academic) based on the recommendations from DUGC & DCC.

R.25 Eligibility for the Award of B.Arch. Degree

R.25.1 A student becomes eligible for the award of the B.Arch. Degree when the student has

- (i) Credited all the core courses in the relevant B. Arch curriculum within the stipulated time,
- (ii) Acquired the category-wise minimum credits and activity points in the B. Arch curriculum
- (iii) No dues to any departments/ sections of the Institute, including hostels, and
- (iv) No disciplinary action is pending

The award of the Degree shall be recommended by the Senate and approved by the Board of Governors of the Institute.

R.26 Power to Modify

R.26.1 Notwithstanding all that has been stated above, the Senate has the right to modify any of the above regulations from time to time.

ORDINANCES

- O.1
- Eligibility for admission, admission policy, and procedure shall be decided from time to time by the Senate/Board of Governors (BoG) of the National Institute of Technology Calicut (Institute), following the guidelines issued by the Ministry of Education (MoE), Government of India (GoI).
- O.2
- NIT Calicut offers regular full-time B.Sc.B.Ed. Programme B.Sc.B.Ed. (Secondary Stage). The duration of the B.Sc.B.Ed. programme shall be 4 years (8 semesters). Every academic year consists of the monsoon Semester (July-August to November- December) and the Winter Semester (December-January to April-May).
- O.3
- Award of Degree shall be in accordance with the regulations of the Institute.
- O.4
- The Senate/BoG of the Institute has the right to modify any regulations stated from time to time.

REGULATIONS

R.1 Admission

- R.1.1 Admission to the B.Sc.B.Ed. programmes of the National Institute of Technology Calicut will be in accordance with the instructions received from the MoE, GoI, from time to time. The number of seats in each Major Subject of the B.Sc.B.Ed. programme will be decided by the Senate/BoG of the Institute following the instructions from MoE, GoI. Reservation of seats to various categories shall be as per the directives from MoE, GoI, from time to time.
- R.1.2 Eligibility for admission shall be as per the criteria issued by the admission authority entrusted by the MoE, GoI, from time to time.
- R.1.3 The selected candidates shall be admitted to the B.Sc.B.Ed. programme only after they fulfill all the admission requirements set by the Institute and after payment of the prescribed fees.
- R.1.4 In all matters related to admission to the B.Sc.B.Ed. programme, the decision by the Institute or any other body/organization entrusted by MoE or the Institute, and its interpretation given by the Chairperson of the Senate of NIT Calicut shall be final and binding.
- R.1.5 Even after completing the admission, if a candidate is found to have not fulfilled any of the requirements stipulated by the Institute or any other body or organization entrusted for the admission by MoE/the Institute, the Dean (Academic) of NIT Calicut can revoke the admission of the candidate and report the matter to the Senate.
- R.1.6 The fee structure is decided by the Institute following the directives of MoE, GoI, from time to time.
- R.1.7 The student should choose the Major and Minor subjects of the B.Sc.B.Ed. programme from the available options at the time of admission as per the eligibility conditions.

R.2 Structure of the B.Sc.B.Ed. Programme

- R.2.1 The implementation of the programme shall be based on the model/suggestive curriculum developed by the National Council for Teacher Education (NCTE), GoI. Every Major of the B.Sc.B.Ed. programme shall have a curriculum and syllabi for the courses approved by the Senate of NIT Calicut. The syllabus for any course can be modified/updated by the respective Department Undergraduate Committee (DUGC) and Department Consultative Committee (DCC)/Committee appointed by the Dean (Academic) with approval from the Senate. Curriculum revisions, when required, will be proposed by a committee nominated by the Dean (Academic). The curriculum of the programme consists of courses in the following categories spread across various semesters.

- (i) Foundations of Education (FE)
- (ii) Disciplinary Major and Minor (MM)
- (iii) Stage-Specific Content cum Pedagogy (CP)
- (iv) Ability Enhancement and Value-Added Courses (AE)
- (v) School Experience (SE)
- (vi) Community Engagement and Service (CE)

- R.2.2 The general pattern of the credit system followed in the Institute is as follows:
 - (i) One credit for each lecture session per week per semester.
 - (ii) One (or two) credits for each laboratory practical course of two (or three) sessions per week per semester
 - (iii) Appropriate credits for Practice, seminar, thesis, and project courses

The exact details of the courses and the corresponding credits shall be as per the approved curriculum of the programme.

- R.2.3 The curriculum of any Major of the B.Sc.B.Ed. programme shall have a total of 160 credits. Students shall earn the above minimum total credits and score CGPA of 5.0 or above to successfully complete the programme to receive the B.Sc.B.Ed. Degree.
- R.2.4 Courses in the first and second semesters are normally referred to as first-level courses. Similarly, there are second-, third-, and fourth-level courses for higher semesters. Successful completion of fourth-level courses leads to the award of a B.Sc.B.Ed. (Secondary Stage in respective Major subjects). However, a student may opt for exit after successfully completing the third-level courses leading to the award of B.Sc. degree in the corresponding Major subject.
- R.2.5 A student who has earned the minimum number of credits and minimum CGPA (5.0) required for the award of the Degree, including the minimum credits prescribed for each category, shall not be permitted to register for more courses to improve the CGPA.
- R.2.6 The medium of instruction for the B.Sc.B.Ed. programme is English except for the language courses.

R.3 Faculty Advisor

- R.3.1 To help the students in planning their courses of study and to get general advice on the academic programme, the concerned Department will assign a certain number of students to a faculty member who will be called their 'Faculty Advisor (FA)'. When more than one faculty advisor is assigned to a class of students, one faculty advisor will act as the coordinating faculty advisor.

Students shall first approach their faculty advisor for academic advice, course registrations, leave, and all academic/study-related matters in the Institute. FA shall make appropriate recommendations or remarks on the applications submitted by the students before forwarding them to HoD/other concerned officials.

The faculty advisor will keep the complete record of academics, attendance /leave, disciplinary actions, if any, contact details of parents/local guardians, and any other relevant data of the students assigned.

If the academic performance/general behavior of the student is not satisfactory as per the Institute rules and regulations, FA shall give necessary motivation/advice or warning to the concerned students. If the student still does not show any improvement, the matter shall be reported to higher authority through HoD, and the same may be intimated to their local guardian/parents.

R.4 Class Committee

- R.4.1 For every B.Sc.B.Ed. programme, semester-wise, and Major-wise, Class Committee (CC) consisting of all course faculty, FAs, and student representatives shall be constituted by the Head of Department (HoD). The Chairperson of the CC shall be appointed by the HoD.
- R.4.2 The term of the CC shall be one semester. The Committee shall meet at least thrice during the semester. The Dean (Academic) or nominee or HoD shall have the right to be present in any CC meetings. The Chairperson of the Committee or coordinating FA shall record the proceedings of each meeting, and the Chairperson shall communicate a copy of the minutes of each meeting to the HoD concerned for any further action.
- R.4.3 The responsibilities of the CC include the following:
- Finalization of the course plan, attendance, and evaluation policies of all courses (In the first CC, which has to be conducted within two weeks from the beginning of the semester).
 - Periodic review of the progress of the classes and attendance of the students.
 - Identification of students with poor performance and low attendance and reporting the matter to FAs and HoD.
 - Giving suggestions and recommendations regarding the curriculum and syllabi, if any, to HOD
 - Finalization of the semester results (in a meeting at the end of the semester without the student members) and forwarding the same to the HoD in the prescribed format.

R.5 Registration and Enrollment

- R.5.1 Registration of a student refers to the selection of courses planned by the student to be credited in the next semester as per the applicable curriculum through the Institute Information Management System (IMS) during the time frame specified for the same by the Academic Section. Enrolment refers to the physical reporting of the students before the FA on the day specified by the academic section immediately before the commencement of the semester.
- R.5.2 Maximum credits that can be registered by a B.Sc.B.Ed. Student of any semester (except the eighth semester) is the normal credits of the concerned semester as per the relevant curriculum. However, students who are repeating failed courses or crediting dropped courses along with regular courses shall be permitted to overload one course in addition to the normal credit for the semester.

- R.5.3 A student with a W/F grade for a core course, as per R.14, has to repeat it compulsorily. A student with a W/ F grade in an elective course as per R.14 can either repeat the same elective course or register for a new elective course based on the advice of the FA.
- R.5.4 Registration for higher-semester courses is permissible only after registering for all the pending core courses from lower semesters that are being offered at the time, subject to the maximum number of courses permitted as per R.5.2.
- R.5.5 Adding/ dropping the course(s) to/ from the list of courses during the initial registration is permitted only for valid reasons within the stipulated time as per the guidelines and procedure announced by the Academic Section.
- R.5.6 A student shall be eligible for registration and enrolment only if
- the minimum requirement to continue the programme as per regulation R.6 is satisfied
 - cleared all the dues in the Institute, Hostel, and library up to the end of the previous semester
 - not debarred from enrolment by disciplinary action of the Institute
 - completed the course feedback on the courses registered in the previous semester, as notified by the Academic Section
 - paid all the tuition fees and all other relevant fees, if any, prescribed by the Institute
- R.5.7 The Institute reserves the right to cancel the registration of a student to a semester subsequent to the registration if it is found that any of the conditions in R.5.6 were violated at the time of registration, unless the initial registration was made with the explicit prior written permission from the Chairperson of the Senate.

R.6 Minimum Requirement to Continue the Programme

- R.6.1 A student admitted to B.Sc.B.Ed. programme in the first semester can continue up to the 8th semester, in ascending order, subject to the following conditions:
- Successfully maintained registration for all the semesters.
 - Registration to the fourth-level courses shall be permitted only after successfully completing all courses up to and including the second-level courses.
- R.6.2 If the student fails to satisfy the conditions in R.6.1, the appropriate exit policy, as applicable for the credits earned by the students based on Institute norms, shall be applied.

R.7 Maximum Duration of the Programme

- R.7.1 The normal duration of the B.Sc.B.Ed. programme is eight semesters (Four years). However, a student may complete the programme at a slower pace by taking more time, but in any case, not more than sixteen semesters (eight years), excluding the semesters withdrawn (temporary discontinuation as per R.8 on medical reasons). However, the students have to satisfy R.6, failing which shall lead to the formalities related to the cancellation of registration.

R.8 Temporary Discontinuation

- R.8.1 A student may be permitted by the Dean (Academic) to discontinue temporarily from the programme for a maximum of two semesters for reasons of ill health or other medical reasons, based on the recommendation from FA and HoD. For a break of study due to illness, all necessary medical reports and medical certificates from the doctor treating the student shall be produced, giving definite reasons for the study break and its duration. The medical certificate should be duly endorsed by the Institute's Medical Officer. Before joining back, a fitness certificate from the doctor who treated the student, with endorsement from the Institute's Medical Officer, must be submitted. Such temporary discontinuation shall be allowed only twice in the entire duration of the program.
- R.8.2 In case of change in the curriculum/syllabi during the period of discontinuation, a student has to register for the approved equivalent courses (meeting the credits) as per the curriculum/ syllabi as per the advice of FA, whenever the student is allowed to continue the programme after the period of discontinuation.
- R.8.3 Students proceeding for temporary discontinuation are required to maintain the Institute registration by paying the fees applicable for keeping the registration alive until they resume normal academic activities. Once they join back after temporary discontinuation, fees applicable for regular students shall be paid.

R.9 Discipline

- R.9.1 Every student is required to observe discipline and decorous behavior both inside and outside the campus and not to indulge in any activities which shall tend to bring down the prestige of the Institute.
- R.9.2 Any indiscipline or misbehavior of a student reported to the Dean (Academic) shall be referred to a Discipline & Welfare Committee constituted by the Chairman, Senate. The Committee shall investigate the charges and decide suitable punishment if the charges are substantiated. The Committee will also authorize the Dean (Academic) to implement the decision.
- R.9.3 The punished students, if any, may appeal to the Chairman, Senate, whose decision shall be final and binding in all respects.
- R.9.4 Ragging of any nature is a criminal and non-bailable offense. Involvement in ragging shall lead to stringent punishment, including imprisonment as per the law of the land. A student whose involvement in ragging is established shall be summarily dismissed from the Institute. In all cases of harassment of junior students by seniors, the Institute-level Anti-Ragging Committee will make appropriate decisions for immediate implementation by the Institute. Each student of the Institute, along with the parent, is required to give an undertaking in this regard, which is to be submitted at the time of registration.

R.10 Attendance and Leave

- R.10.1 Students are expected to attend all the classes for the courses they have registered for. The standard policy of the Institute is that a student should have a minimum of 80% attendance to become eligible for writing the end-semester examination of any course. However, it is the prerogative of the course faculty to fix the attendance requirement for their courses without exceeding the 80% limit. The attendance policy of a course shall be announced to the students in the first class itself. It has to be later presented and approved in the first CC meeting.
If a student cannot attend classes due to medical issues or other compelling reasons, a leave application as detailed below, must be submitted to the course faculty.
- Application for any leave shall be submitted within five instructional days after returning from leave or on or before the last instructional day of the semester, whichever is earlier.
 - Application for leave on medical grounds must be supported with necessary treatment records for the period of leave applied for. The student is expected to inform the course faculty before proceeding on medical leave under normal circumstances.
- R.10.2 A student whose attendance for any course registered in a semester is less than 80%, or the limit prescribed by the course faculty is not eligible to appear for the end-semester examination for that particular course unless the shortage of attendance is condoned as per R.10.4. The percentage of attendance shall be calculated based on the number of classes conducted from the date of commencement of the semester as per the academic calendar except for first semester students. In the case of first-semester students, it shall be counted from the date of admission of the student to the Institute or the start of the classes, whichever is later.
- R.10.3 Students whose attendance is less than 80% or the limit prescribed by the course faculty for any course registered in a semester shall be informed of the shortage of attendance on or before the last instructional day.
- R.10.4 Those students with attendance less than 80% or the limit prescribed by the course faculty for any course registered in a semester will be eligible to get their shortage of attendance condoned and hence to appear for the end semester examination for that course only if the student applies for condonation subject to the following conditions
- the attendance in that semester for the course concerned, without applying any condonation, is not less than 50% of the total classes handled for that course.
 - attendance after applying the condonation for co-curricular/extra-curricular activities based on the approval granted by competent authorities (maximum limit is 10% of the classes handled by the course faculty) and the condonation on medical grounds is more than 80% or the limit prescribed by the course faculty.
- R.10.5 If a specific attendance requirement is prescribed for a course, all requests for the condonation of shortage of attendance must be submitted to the corresponding course faculty. The course faculty shall examine such requests and supporting documents and decide on whether the attendance shortage can be condoned or not well before the date of

the end-semester examination of the course concerned. If the student has a grievance on the decision of the course faculty, an appeal can be made to the DUGC, and the decision of this Committee shall be final and binding.

- R.10.6 Students who have enrolled in the Centre for Career Development (CCD) of the Institute for internship/placement-related activities are eligible for duty leave up to a maximum of ten days per semester, subject to the actual absence from class for these activities. The attendance details on day/company basis shall be provided by CCD to the concerned departments/schools to verify the claims from the students.

R.11 Assessment Procedure

- R.11.1 The Senate shall decide the general assessment procedure from time to time. It shall be based on the system of tests, assignments, tutorials, presentations, quizzes, course projects, reports, etc., and the end-semester examinations in each course in each semester.
- R.11.2 One mid-semester test with a minimum duration of 90 minutes is mandatory for lecture-based courses and for courses where lectures are clubbed with practicals, projects, etc. The number of assignments, tutorials, presentations, quizzes, course projects, reports, etc. shall be decided by the course faculty.
- R.11.3 One end-semester examination with a minimum of two hours duration is mandatory for each lecture-based course and for each course where lectures are clubbed with practicals, projects, etc. End semester examination is not mandatory for laboratory/practical/Teaching Internship courses.
- R.11.4 The weightage of marks for various evaluation components shall be finalized by the course faculty with the approval of the class committee.
- R.11.5 The assessment method for laboratory/practical courses shall be based on tests and students' performance in the regular laboratory/practical classes. This will be finalized by the course faculty with the approval of the class committee.
If there is final examination for laboratory/practical course, its weightage should not exceed 40%.

R.12 Make-up Examination

- R.12.1 Students who miss the mid-semester or end-semester examinations due to ill health requiring hospitalization/physical indisposition with inability to move or any other compelling reason judged to be valid by the FA/HoD are eligible for make-up examinations. The requirement of hospitalized treatment is not applicable in the case of contagious diseases. Make-up examination for the mid-semester component shall be conducted based on the mutual convenience between the students and course faculty during the semester. The make-up examination for the end-semester component shall be conducted along with the re-examination (REX) as per R16. Students appearing for the make-up examination for the end-semester examinations will not be permitted to appear for REX for the same course.

- R.12.2 Those who miss mid-semester or end-semester examination in a course shall apply to the HoD concerned through FA within five instructional/ working days after the missed mid-semester/end-semester examination or before the prescribed date indicated in the academic calendar, whichever is earlier, giving the reasons/proofs for the absence. Applications received after this period will not be entertained.

Students applying for make-up examination due to medical reasons must produce a medical certificate (as proof of absence) from a Registered Medical Practitioner certifying that the student was admitted to the hospital during the period of examination or the student was not in a condition to write the examination.

All applications for make-up examinations, when approved by the HoD, the FA shall inform the same to the course faculty concerned. The list of students permitted to appear for the make-up examinations for the mid-semester and end-semester examinations shall be published by the Department.

- R.12.3 Make-up examinations for mid-semester and end-semester examinations shall be conducted by the course faculty concerned and incorporate the marks of the relevant make-up examinations, finalize the results of the students to whom I grade was awarded as per R.14 (in case of end-semester make-up examination) and report the results to HoD/Dean (Academic) through the Chairperson of the CC with appropriate entries in the Institute IMS.

R.13 Project and Teaching Internship

- R.13.1 Project work in the curriculum can be done individually or by a group of students as decided by the Department. The project work will be assessed by a panel of examiners (within the Department/within the Institute/experts from outside the Institute) decided by the HoD, and a letter grade as per R.14.1 shall be awarded. The method of assessment/evaluation will be decided by the panel of examiners and announced in the CC.
- If outside experts are invited for evaluation, it shall be with the approval of the Dean (Academic).
- R.13.2 On completion of the project/thesis, the student shall submit a report in the prescribed format to the Department. Number of copies and the format will be as per the department guidelines. A soft copy of the report shall be submitted to the Institute Digital Library.
- R.13.3 The Internship in Teaching of the relevant pedagogy in the curriculum shall be done individually at the secondary level in the identified schools as decided by the Department. It will be assessed by an Institute supervisor and the cooperating teacher from the school. Both the lesson plan and the classroom performance should be evaluated for a minimum required number of classes under each pedagogy for the successful completion of the Internship, and this minimum number shall be decided by the Department. After assessment, a letter grade as per R.14.1 shall be awarded along with grading for other courses enrolled in the 7th semester.

R.14 Method of Grading

R.14.1 Based on the semester performance, each student will be awarded a final letter grade for each course, where the letter grades will correspond to the grade points as shown below.

Grade	Grade points
S	10
A	9
B	8
C	7
D	6
E	5
F (Failure to credit the course)	0
W (Insufficient attendance)	0
I (Incomplete assessment)	0

A student is said to have credited a course or earned credits in respect of a course when a grade other than F, W, or I is secured for that course.

R.14.2 After the valuation of the answer scripts of the end semester examination and the tabulation of marks for each course out of 100, the Course Faculty shall decide the range of marks for various letter grades: S, A, B, C, D, E, and F and award the letter grades to the students in that course accordingly. One or more CC meetings without the student members shall be held before the date fixed for the declaration of results as per the academic calendar, and the letter grades awarded to the students by the course faculty for various courses shall be scrutinized and finalized in that meeting, with appropriate entries in the Institute IMS. The Chairperson of the CC shall then submit the verified and signed copy of the final results to the HoD for forwarding to the Dean (Academic). One set of hard copies of consolidated results shall be kept at the department/school for reference and records.

R.14.3 Grade I (English Alphabet I) will be awarded by a course faculty to a student in a course as an interim grade when the assessment of the student in that course stands incomplete due to certain valid reasons like eligibility for a make-up examination. Once I grade is awarded to a student, the concerned course faculty shall ensure that it will be converted to a final grade before the next academic session (Monsoon/Winter), and the same shall be informed to the academic section through the Chairperson, CC, and HoD.

R.14.4 Students whose attendance shortage is not condoned as per R.10.4 for a course will be awarded the letter grade W for that particular course in that semester, irrespective of the marks obtained by them for that course.

R.15 Declaration of Results

R.15.1 Semester results will be published on the date fixed for the declaration of results as per the academic calendar.

R.15.2 The final results of the students to whom I grade was awarded as per R.14.3 will be published in due course after the make-up examination.

R.16 Re-examination

R.16.1 A student who earns an F grade for a theory course in a Monsoon or Winter Semester can appear for a Re-examination (REX), which will be conducted immediately after the declaration of the results of the semester. REX shall be conducted for 100% marks covering the entire syllabus of the course. The maximum grade eligible to receive by a student for the REX shall be "E". Dean (Academic) shall issue notices regarding the mode of application for the same, prescribed examination fee per course, mode of fee payment, etc.

R.16.2 If a student gets an F grade again in REX, the course must be repeated when offered next time. However, in the case of elective courses, alternative elective courses can also be chosen.

R.16.3 Separate Grade Cards will be issued for the Re-examination (REX).

R.17 Re-evaluation of Answer Sheets

R.17.1 If a student has any grievance about the grade in a Lecture/Lecture cum Laboratory-based course, the course faculty concerned can be contacted within 5 working days after the publication of the results or the commencement of the immediately succeeding semester, whichever is later. The end-semester examination answer scripts shall be shown to the student by the course faculty. If it is felt that the case is genuine, the faculty shall revalue the answer scripts, provided a request is submitted through FA and HoD. The revised grade, if any, shall be forwarded to the Dean(Academic) through the Chairperson of the CC and HoD of the Department, with proper justification for the revision. The course faculty shall ensure that the decision on the request is communicated in writing to the student within a week if there is no change in the published results.

R.17.2 If the student is not satisfied with the decision of the course faculty, an appeal can be submitted to the Dean(Academic) through FA and HoD for re-evaluation of the answer scripts by another faculty along with the receipt for the payment of the prescribed re-evaluation fee within ten working days on receipt of the communication from the course faculty. Dean (Academic) may arrange for the re-evaluation of the answer scripts by another faculty member from a panel of minimum 2 examiners proposed by the HoD of the Department/School/Centre offering the course. Once the result of the re-evaluation of answer scripts is intimated by the faculty who conducted the re-evaluation to the Dean (Academic), the results obtained on re-evaluation will replace the earlier results if the difference is more than 5% of the maximum marks. Requests received for re-evaluation after the stipulated time shall not be entertained. The result after this re-valuation shall be final and no further process shall be permitted. Also, there shall not be any re-valuation of answer scripts of REX and contact courses.

R.18 Grade Point Average

R.18.1 The performance of a student in a semester is indicated by the Semester Grade Point Average (SGPA), which is given as

$$SGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course, and the summation is for all courses registered by the student in the relevant semester.

R.18.2 The performance of a student up to and including a particular semester is indicated by the Cumulative Grade Point Average (CGPA), which is given as

$$CGPA = \frac{\sum(C*GP)}{\sum C}$$

where C is the number of credits for a course, GP is the grade point scored by the student for that course, and the summation is for all courses registered by the student up to and including the relevant semester.

R.18.3 The CGPA is not convertible to a percentage. However, notionally, the CGPA may be multiplied by a factor of 10 to obtain a numerical percentage.

R.19 Class/Division

R.19.1 At the end of the programme, the Class/ Division awarded by the Institute shall be based on CGPA as follows.
 First Class with Distinction: $CGPA \geq 7.5$
 First Class: $7.5 > CGPA \geq 6$ and
 Second Class: $6 > CGPA \geq 5$

R.20 Slow-Pace Learning

R.20.1 Courses to be normally registered in each semester are specified in the curriculum. However, a student may register for a lesser number of credits than specified in the curriculum subject to satisfying R.5, R.6 and R.7 with the approval of the FA.

R.21 Contact Course

R.21.1 Contact course refers to an accelerated course where the entire classes and examinations related to a course shall be completed in 30 to 45 days' time.

R.21.2 At the end of the final semester, if a student has completed all the courses prescribed in the curriculum except one course after the publication of REX results, an application for a contact course can be submitted for the approval of the Dean (Academic) through FA and HoD provided

- (i) A faculty member is willing to offer such a course with a prescribed course plan and evaluation policy.
- (ii) Student remits the prescribed fees for the same to the Institute.

R.21.3 The maximum grade eligible to receive by a student for the contact course shall be "C".

R.22 Transfer of Credits

R.22.1 Within the broad framework of these regulations, the Dean (Academic), on the recommendation of the concerned DCC, may permit students to earn part of the credit requirements in other approved Institutes of repute and status in the country or abroad. The appropriate credit mapping in the above cases will be done by the Dean (Academic) based on the recommendations from DCC.

R.23 Eligibility for the Award of B.Sc./B.Sc.B.Ed. Degree

R.23.1 A student becomes eligible for the award of the B.Sc./B.Sc.B.Ed. Degree when

- (i) credited all the courses in the respective levels as per the curriculum within the stipulated time
- (ii) acquired the Major-wise minimum credits in the relevant B.Sc.B.Ed. curriculum
- (iii) no dues to any Departments/Sections of the Institute, including hostels
- (iv) no disciplinary action is pending

The award of the Degree shall be recommended by the Senate and approved by the Board of Governors of the Institute.

R.24 Power to Modify

R.24.1 Notwithstanding all that has been stated above, the Senate of NIT Calicut has the right to modify any of the above regulations from time to time.

Support Desk

In order to streamline support requests and better serve you, we utilize a support ticket system. Every support request is assigned a unique ticket number which you can use to track the progress and responses online. For your reference we provide complete archives and history of all your support requests. A valid NIT Calicut email address is required to submit a ticket.
